- WAC 388-107-0330 Pharmacy services. (1) The enhanced services facility must:
- (a) Obtain routine and emergency medications for its residents under an agreement with a licensed pharmacy;
  - (b) Ensure that pharmaceutical services:
  - (i) Meet the needs of each resident; and
- (ii) Establish and monitor systems for the accurate acquiring, receiving, dispensing, control and administering of all medications; and
- (c) Employ or obtain the services of a license pharmacist who must:
- (i) Provide consultation on all aspects of the provision of pharmacy services in the enhanced services facility;
- (ii) Determine that enhanced services facility medication records are in order;
- (iii) Perform regular reviews at least once each month of each resident's medication therapy; and
- (iv) Document and report medication irregularities to the attending physician.
- (2) Medications used in the enhanced services facility must be labeled and stored in accordance with applicable state and federal laws.
- (3) The enhanced services facility must provide pharmaceutical services that meet recognized and accepted standards of pharmacy practice.
  - (4) The enhanced services facility must ensure:
- (a) Education and training for enhanced services facility staff by the licensed pharmacist on medication-related subjects including, but not limited to:
- (i) Recognized and accepted standards of pharmacy practice and applicable pharmacy laws and rules;
- (ii) Appropriate monitoring of residents to determine desired effect and undesirable side effects of medication regimens; and
  - (iii) Use of psychotropic medications.
- (b) Reference materials regarding medication administration, adverse reactions, toxicology, and poison center information are readily available;
- (c) Pharmacist monthly medication review reports are acted on in a timely and effective manner;
- (d) Accurate detection, documentation, reporting and resolution of medication errors and adverse medication reactions; and
- (e) Only individuals authorized by state law to do so will receive medication orders, administer medications, and destroying expired medications.
- (5) The resident has the right to a choice of pharmacies when purchasing prescription and nonprescription medications as long as the following conditions are met to ensure the resident is protected from medication errors:
- (a) The medications are delivered in a unit of use compatible with the established system of the facility for dispensing medications; and
- (b) The medications are delivered in a timely manner to prevent interruption of dose schedule.
