- WAC 388-831-0060 What is contained in the risk assessment? (1) The risk assessment must be consistent with the guidelines for risk assessments and psychological or psychosexual evaluations developed by the division.
 - (2) The risk assessment must contain:
- (a) A determination by a qualified professional whether your behaviors can be managed successfully in the community with reasonably available safequards;
- (b) A determination that lesser restrictive residential placement alternatives have been considered and would not be reasonable for your situation;
 - (c) Recommendations for treatment; and
 - (d) A list of necessary restrictions and the reason for them.
- (3) The division may request an additional evaluation by a qualified professional who is contracted with the state.
