

WAC 392-342-057 The superintendent of public instruction project commitment at preliminary funded status. When preliminary funding status for a project is requested and granted pursuant to WAC 392-342-050, the superintendent of public instruction commitment is limited to the eligibility of the project for state funding assistance, the eligible square footage, the construction cost allocation for the fiscal year funded and the priority standing of the project as determined pursuant to the state construction assistance rules in effect at that time. This commitment is effective only for the initial one-year period set forth at WAC 392-342-060. The superintendent of public instruction reserves the right to amend and/or repeal any rule(s) respecting state funding assistance in school facility construction. Such rule changes may be made regardless of the impact upon the eligibility of any project and/or the extent of eligibility of any project for state funding assistance.
