WAC 415-501-415 May I move funds into the plan from an eligible retirement plan? (1) Rollover. If you established your deferred compensation account through your own employment with a participating employer, you may roll pretax contributions into the plan from an individual retirement account (IRA) or from another eligible retirement plan. Your DCP account also accepts rollovers-in from designated Roth accounts within eligible retirement plans, but not from Roth IRAs. If your account was established as a beneficiary following the original account owner's death, or as a result of a domestic relations order as described in WAC 415-501-495, you are not eligible to roll additional funds into the account.

(a) The plan will keep a separate accounting of all funds rolled into the plan.

(b) Distributions of money rolled into the plan may be subject to an additional 10 percent tax on early distributions.

(2) **Plan-to-plan transfer**. You may transfer money into the plan from another eligible governmental Section 457(b) plan maintained by a political subdivision, subject to the following conditions:

(a) The political subdivision also participates in DCP;

(b) The transferor plan allows direct plan-to-plan transfers; and

(c) You are employed by the political subdivision at the time of the transfer.

(3) **Rollover/transfer application.** You must complete the appropriate form to transfer or roll money into your deferred compensation account. Forms are available through the department or on its website.
