- WAC 415-501-440 How are deferral limits monitored? (1) Employers will monitor deferrals to ensure that amounts deferred comply with the annual deferral limit in WAC 415-501-420 and the age-50 catch-up deferral limit.
- (2) The department may also monitor deferrals and has the authority to disallow deferral of compensation in excess of the limits.
- (3) You must also monitor your deferrals to ensure that combined deferrals in two or more deferred compensation plans do not exceed the deferral limits.
- (4) If the plan determines that your deferrals into the plan have exceeded the deferral limit, the excess deferrals will be distributed to you as soon as administratively practicable.
