

WAC 495E-300-050 Policy statement on disabilities. Students with documented disabilities who meet admission qualifications will be provided reasonable accommodation. Accommodations may be made in the style of instructional delivery, method of evaluation, or curricular aids. The college will not lower the standard measurement of competency for the certificate of merit or the standards of a degree.

Specific support services and auxiliary aide should be determined prior to registration. State vocational rehabilitation agencies or common school districts charged with providing support to handicapped students will retain primacy of responsibility for necessary auxiliary aids.

Renton Technical College encourages all students to achieve the highest level of skill development possible, as well as to achieve the ability to function independently in the workplace. Therefore, accommodations will be provided on a decreasing basis to the extent that the student's reasonable requirements diminish as the student becomes increasingly successful in training and nears job placement.
