EMERGENCY ORDER NO. 984

(Amending Order No. 954)

Effective July 5, 1965

HEALTH, BRANDS AND WEIGHTS AND MEASURES REGULATIONS PERTAINING TO
PUBLIC LIVESTOCK MARKETS

I, Donald W. Moos, Director of Agriculture of the State of Washington by virtue of the authority vested in me under Chapter 16.36, RCW; 16.57, RCW; 16.65, RCW; 19.93, RCW; and 16.40, RCW do promulgate the following amendment to Order No. 954, Health, Brands and Weights and Measures Regulations Pertaining to Public Livestock Markets.

The adoption of this emergency order governing the Health, Brands and Weights and Measures at Public Livestock Markets is necessary for the immediate preservation of the animal health and safety and for the continuation of the Hog Cholera Eradication Program. It is necessary that this emergency order become effective on July 5, 1965 since the programmed eradication of Hog Cholera in the swine population of Washington calls for phase-out of usage of the Modified Live Virus Hog Cholera vaccine.

Section 8 (d) (2) and (4) are hereby amended to read as follows:

Section 8. Health of swine - hog cholera:

(d) Handling of all swine at the market:

- (2) Swine in interstate movement to or from the market must meet the vaccination requirements of Title 9, C F R in effect July 1, 1965 and the current import requirements of the receiving state before being released from the market: Washington swine in intrastate movement require no vaccination as a pre-requisite for leaving the market.
- (4) All swine vaccinated at the market to qualify for movement into or out of the State of Washington must be by simultaneous inoculation with modified live virus hog cholera vaccine, the dosage to be that recommended on product label by licensed manufacturer and a minimum of hog cholera serum or antibody concentrate in the amount set forth in table below:

SIMULTANEOUS VACCINATION SERUM TABLE

| <u>Weight</u> | <u>Hog Cholera Serum</u> | <u>Antibody Concentrate</u> |
|---------------|--------------------------|-----------------------------|
| Under 20 lbs. | 1 cc/lb. of body wt. | ½ cc/lb. of body wt. |
| 20 - 60 lbs. | 20 cc | 10 cc |
| 60 -120 lbs. | 30 cc | 15 cc |
| Over 120 lbs. | 40 cc | 20 cc |

I hereby certify that the foregoing is a true and correct copy of the regulations promulgated by the Department of Agriculture.

Donald W. Moos
Director of Agriculture
State of Washington

Signed at Olympia, Washington
