STATE OF WASHINGTON
DEPARTMENT OF AGRICULTURE
OLYMPIA

QUARANTINE ORDER NO. 1077
(Effective March 8, 1968)

Superseding Quarantine Order No. 1013 and Rules and Regulations Concerning Bacterial Diseases of Beans and Providing Certain Exemptions.

WHEREAS, the bacterial diseases known as: Halo Blight Pseudomonas medicaginis var. phaseolicola (Burk.) Dows., Common Bean Blight Xanthomonas phaseoli (E.F.Sm.) Dows., Fuscous Blight Xanthomonas phaseoli var. fuscans (Burk.), Bean Bacterial Wilt Corynebacterium flaccumfaciens (Hedges) Dows., and any new strains or variations of the above diseases hereinafter referred to as bacterial diseases are injurious to the species of beans (Phaseolus sp.); and

WHEREAS, when common beans are infected with the said bacterial diseases their production is greatly reduced and their use for seed purposes would further spread the infection; and

WHEREAS, a quarantine will be effective in preventing the introduction of the said bacterial diseases of beans into Adams, Benton, Franklin and Grant Counties; and

WHEREAS, control of the said bacterial diseases of beans will provide the common bean growers of the State of Washington with a source of common beans for planting purposes which are disease free;

NOW, THEREFORE, I, Donald W. Moos, Director of the Department of Agriculture of the State of Washington, by virtue of the authority vested in me under Chapter 17.24 RCW relating to insect pest and plant diseases, do hereby proclaim and establish a quarantine to become effective March 8, 1968, setting forth the name of the diseases for which the quarantine is established, the area under quarantine, the regulated area, regulated articles, and the conditions governing the importation and movement of common beans into the regulated area.

DEFINITIONS:

(1) "Person" means a natural person, individual, firm partnership, corporation, company, society, and association, and every officer, agent or employee thereof. This term shall import either the singular or the plural as the case may be.

(2) "Director" means the director of the Department of Agriculture or his duly authorized representative.

(3) "Common Bean", Phaseolus vulgaris L.

(4) "Beans", Phaseolus sp.

(5) "Origin", means state where specific seed lot was grown.

QUARANTINE AREA:

All counties of the State of Washington, not including Adams, Benton, Franklin, and Grant Counties, and all areas outside the State of Washington.

REGULATED AREA:

Adams, Benton, Franklin, and Grant Counties.

CONDITIONS:

(1) No beans shall be planted in the regulated area which are found to be or are known to be contaminated with the aforementioned diseases.

(2) No common beans shall be shipped, transported, or moved into the regulated area for planting on or after the effective date of this quarantine unless such beans are accompanied by an origin Phyto-Sanitary Certificate showing that such common beans are free from the aforementioned diseases on the basis of at least one field inspection and one windrow inspection; PROVIDED, That the requirement for the windrow inspection portion of the Phyto-Sanitary Certificate requirement may be waived when (1) the bean seed is accompanied by an official certificate, issued by an approved testing agency stating such bean seed is free from the aforementioned diseases, based on an approved laboratory and/or greenhouse test, and/or any other methods approved by the Director, and when (2) said bean seed is planted only in fields entered into either (a) the Washington State Seed Certification program or (b) the Washington State Bean Seed Phyto-Sanitary Certificate program.

(3) The requirement for a Phyto-Sanitary Certificate will be waived for Pinto, Red Mexican, Great Northern, California Pink, California Small White, and Flat Small White beans grown West of the Continental Divide, when the seed is accompanied by an official certificate, issued by an approved testing agency stating such bean seed is free from the aforementioned diseases, based on an approved laboratory and/or greenhouse test, and/or any other methods approved by the Director. Each planting made from said bean seed shall be reported to the Director who shall have authority to enter and inspect said field.

(4) This quarantine shall not apply: To the shipment, movement, or transportation of beans pre-packaged in packages of eight ounces or less for home garden use in the said regulated area if, as far as known, said beans are free of bacterial diseases.

(5) This quarantine shall not apply: To experiments or trial grounds of the United States Department of Agriculture or Washington State University Experiment Station, or to any person, firm, or corporation; provided said plantings are approved by the Director, and under supervision of technically trained personnel familiar with bacterial diseases.

(6) Any person prior to shipping, moving, or transporting any common beans for planting purposes into the regulated area shall forthwith notify the Department of Agriculture in writing of such person's

intent to ship, move, or transport any common beans into said regulated area. Such notice of intent shall be accompanied by a copy of the Phyto-Sanitary Certificate issued for such common beans.

VIOLATIONS AND PENALTY:

All violations of this Order shall be dealt with according to the provision of RCW 17.24.100, making such violations a misdemeanor.

EFFECTIVE DATE:

This Order shall take effect on and after the 8th day of March, 1968.

Donald W. Moos
Director of Agriculture
State of Washington

APPROVED: 

DANIEL J. EVANS, Governor

Order 1077

Chapter 16-494

BACTERIAL DISEASES OF BEANS

AMD

WAC 16-494-001 PROMULGATION--ESTABLISHING QUARANTINE.

(1) Whereas, the bacterial diseases known as: Halo Blight Pseudomonas medicaginis var. phaseolicola (Burk.) Dows., Common Bean Blight Xanthomonas phaseoli (E.F.Sm.) Dows., Fuscous Blight Xanthomonas phaseoli var. fuscans (Burk.), Bean Bacterial Wilt Corynebacterium flaccumfaciens (Hedges) Dows., and any new strains or variations of the above diseases hereinafter referred to as bacterial diseases are injurious to the species of beans (Phaseolus sp.); and

(2) Whereas, when common beans are infected with the said bacterial diseases their production is greatly reduced and their use for seed purposes would further spread the infection; and

(3) Whereas, a quarantine will be effective in preventing the introduction of the said bacterial diseases of beans into Adams, Benton, Franklin, and Grant counties; and

(4) Whereas, control of the said bacterial diseases of beans will provide the common bean growers of the State of Washington with a source of common beans for planting purposes which are disease free.

(5) Now, therefore, I, Donald W. Moos, director of the department of agriculture of the state of Washington, by virtue of the authority vested in me under Chapter 17.24 RCW relating to insect pest and plant diseases, do hereby proclaim and establish a quarantine to become effective March 8, 1968, setting forth the name of the diseases for which the quarantine is established, the area under quarantine, the regulated area, regulated articles, and the conditions governing the importation and movement of common beans into the regulated area.

AMD

WAC 16-494-010 DEFINITIONS. (1) "Person" means a natural person, individual, firm partnership, corporation, company, society, and association, and every officer, agent or employee thereof. This term shall import either the singular or the plural as the case may be.

(2) "Director" means the director of the department of agriculture or his duly authorized representative.

(3) "Common Bean", Phaseolus vulgaris L.

(4) "Beans", Phaseolus sp.

(5) "Origin", means state where specific seed lot was grown.

AMD

WAC 16-494-040 CONDITIONS. (1) No beans shall be planted in the regulated area which are found to be or are known to be contaminated with the aforementioned diseases.

(2) No common beans shall be shipped, transported, or moved into the regulated area for planting on or after the effective date of this quarantine unless such beans are accompanied by an origin phyto-sanitary certificate showing that such common beans are free from the aforementioned diseases on the basis of at least one field inspection and one windrow inspection: PROVIDED, That the requirement for the windrow inspection portion of the phyto-sanitary certificate requirement may be waived; (a) when the bean seed is accompanied by an official certificate, issued by an approved testing agency stating such bean seed is free from the aforementioned diseases, based on an approved laboratory and/or greenhouse test, and/or any other methods approved by the director, and (b) when said bean seed is planted only in

fields entered into either (i) the Washington State Seed Certification program or (ii) the Washington State Bean Seed Phyto-Sanitary Certificate program.

(3) The requirement for a phyto-sanitary certificate will be waived for Pinto, Red Mexican, Great Northern, California Pink, California Small White, and Flat Small White beans grown west of the Continental Divide, when the seed is accompanied by an official certificate, issued by an approved testing agency stating such bean seed is free from the aforementioned diseases, based on an approved laboratory and/or greenhouse test, and/or any other methods approved by the director. Each planting made from said bean seed shall be reported to the director who shall have authority to enter and inspect said field.

(4) This quarantine shall not apply to the shipment, movement, or transportation of beans pre-packaged in packages of eight ounces or less for home garden use in the said regulated area if, as far as known, said beans are free of bacterial diseases.

(5) This quarantine shall not apply to experiments or trial grounds of the United States Department of Agriculture or Washington State University Experiment Station, or to any person, firm, or corporation; provided said plantings are approved by the director, and under supervision of technically trained personnel familiar with bacterial diseases.

(6) Any person prior to shipping, moving, or transporting any common beans for planting purposes into the regulated area shall forthwith notify the department of agriculture in writing of such person's intent to ship, move, or transport any common beans into said regulated area. Such notice of intent shall be accompanied by a copy of the phyto-sanitary certificate issued for such common beans.

AMD

WAC 16-494-060 EFFECTIVE DATE. This order shall take effect on and after the eighth day of March, 1968.
