CODE REVISER'S OFFICE  
DOCKET #208 FILE #12

Supersedes Order No. 799  
Effective March 10, 1961

**A Regulation Relating to the Use of Chemicals and Chemically  
Treated Materials in Douglas, Chelan and Grant Counties**

I, Joe Dwyer, Director of Agriculture, State of Washington, after public notice and hearing held at Trinidad, Washington on November 21, 1960, by virtue of authority vested in me under Chapter 61, Session Laws of 1951, as amended by Chapter 261, Session Laws of 1953, Revised Code of Washington Chapter 17.20, do hereby amend Order No. 779 to read as follows:

**Regulation 1. Area Under Order**

All of Township 21 North, Ranges 21, 22 and 23 East, lying in Chelan, Douglas and Grant Counties; that portion of Township 20 North, Range 22 East, lying in Douglas County, and Sections 4, 5, 6, 7, 8, 9, 16, 17, 18, 20, 21, 28, 29, 32, 33 and portions of 19, 30 and 31, Township 20 North, Range 23 East, lying in Grant County.

**Regulation 2. Type of Materials Prohibited or Under Control in Defined Areas**

The use or application of the materials or chemicals known as 2,4-D (2,4-dichlorophenoxyacetic acid), 2,4,5-T (2,4,5-trichlorophenoxyacetic acid), M.C.P. (2-methyl-4-chlorophenoxyacetic acid) or any formulations thereof with any other herbicides, chemicals, oils, salts or water on any crops, shrubs or lands except amine salt or ester formulations labeled as low volatile under the Federal Insecticide, Fungicide and Rodenticide Act is prohibited in the area described under Regulation 1 of this order.

Aircraft application of the herbicides known as 2,4-D, 2,4,5-T and M.C.P. or any formulations thereof with any other herbicides, chemicals, oils, salts or water on any crops, shrubs or lands is prohibited in the following described areas of Douglas, Chelan and Grant Counties: Sections 4, 5, 8, 9, 15, 16, 17, 20, 21, 22, 23, 26, 27, 28, 29, 32 and 33, Township 21 North, Range 22 East; Sections 13, 14, 15 and 16, Township 20 North, Range 22 East and Sections 7, 8, 17, 18, 19 and 30, Township 20 North, Range 23 East.

Aircraft application within the following described area shall be with a total per acre application of not less than 1 gallon per acre including diluent; Sections 1, 2, 3, 10, 11, 12, 13, 14, 24, 25, 34, 35 and 36, Township 21 North, Range 22 East, and Sections 1, 2, 3, 4, 9, 10, 11 and 12, Township 20 North, Range 22 East, lying in Douglas County, Sections 6, 7, 18, 19, 30 and 31, Township 21 North, Range 22 East, lying in Chelan County. Sections 4, 5, 6, 9, 16, 20, 21, 28, 29, 32 and 33, and that portion of Section 31, Township 20 North, Range 23 East, lying in Grant County.

Dust formulations of any and all of the materials or chemicals referred to in the above paragraphs are prohibited in the entire area under order (Regulation 1).

**Regulation 3. Cleansing of Sprayers**

Tanks and sprayers for or in connection with application of any of the above named chemicals of any formulation or concentration shall not be used for any type spray applications within the area under order (Regulation 1) other than weed spraying until they are thoroughly cleaned of any possible injurious residues that might remain in the tanks or other parts of the sprayer. Particular attention must be paid to cleansing of spray hoses.

**Regulation 4. Restricts Area for Use in Loading, Low Flying and Turning**

Loading and/or mixing of the chemicals known as 2,4-D, 2,4,5-T, M.C.P. and 2,4,5-TP in aircraft for use and application is prohibited within the area described as prohibited to aircraft application and the turning and/or low flying over this area is

likewise prohibited when loaded with these chemicals or prior to thoroughly cleaning equipment following use of these chemicals.

**Regulation 5. Outlines Procedure for Disposal of Empty Containers**

Injurious herbicides or emptied containers thereof shall not be dumped or abandoned or allowed to remain at any place where plants of value are likely to be injured by the vapor or by water flowing through or over the material, or where contaminated soil is likely to be transported or used in proximity to susceptible crops.

This order will be effective until superseded or amended.
