

STATE OF WASHINGTON
DEPARTMENT OF AGRICULTURE
Olympia

ORDER NO. 853

(Amending Order No. 788)

EFFECTIVE July 19, 1961

HEALTH, BRANDS AND WEIGHTS AND MEASURES
REGULATIONS PERTAINING TO PUBLIC LIVESTOCK MARKETS

604
I, Joe Dwyer, Director of Agriculture of the State of Washington by virtue of the authority vested in me under Chapter 16.36 and 16.40, RCW, after due notice as provided under Chapter 34.04 and 42.32, RCW, and a public hearing held in Olympia on June 1, 1961, do hereby amend Order No. 788, Health, Brands and Weights and Measures Regulations Pertaining To Public Livestock Markets by amending Regulation 2 to read as follows:

Subsection 3, Section 4, Regulation 2, Order 788 is amended to read:

3. Cattle sold for immediate slaughter, and cattle sold and consigned to a person holding a valid quarantine registered feed lot permit from the Director of Agriculture need not be tested.

Subsection 3, Section 7, Regulation 2, Order 788 is changed to read:

3. All swine, except immediate slaughter hogs or suckling pigs under six weeks of age that are nursing sows, must be vaccinated against hog cholera and must be accompanied by a certificate of vaccination signed by a licensed accredited veterinarian, stating that they were:
 - a. Vaccinated with modified live virus vaccine at least fourteen (14) days prior to sale.
or
 - b. Vaccinated at the time of sale with modified live virus vaccine plus at least 15cc of serum; swine weighing sixty (60) pounds or more shall be given serum and vaccine in accordance with paragraph 76.5 (f), (1) and (3), Title 9, Code of Federal Regulations as in effect on the effective date of this regulation.
 - c. In unusual cases where vaccine is contraindicated vaccination with serum alone may be used with amounts of serum to be 150% of that recommended in paragraph 76.5 (f), (1), Title 9, Code of Federal Regulations as in effect on the effective date of this regulation.
 - d. All swine officially vaccinated against hog cholera shall be identified by an ear tag or tattoo approved by the Director of Agriculture, except swine vaccinated with serum alone.

I hereby certify that the foregoing is a true and correct copy of the regulations promulgated by the Department of Agriculture.

JOE DWYER
Director
Department of Agriculture
