(2) Purpose: The Washington State Noxious Weed Control Board has amended the state noxious weed list to add three species and delete three other species from the Class A list; to add two species to the Class B list; and to change the areas designated for nine class B noxious weeds

(3) Citation of existing rules affected by this order:

- Repealed:
- Amended: **WAC 16-750-005, WAC 16-750-011**

- Other Authority:

**(5.1) PERMANENT RULE ONLY**

Pursuant to notice filed as WSR 91-20-145 on October 2, 1991 (date).

Describe any changes other than editing from proposed to adopted version:

The Washington State Noxious Weed Control Board proposed to add waterhyacinth (Eichornia crassipes) to the class A noxious weed list. Because of public testimony opposing the addition it has not been added.

**(5.2) EMERGENCY RULE ONLY**

Pursuant to RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding:

(5.3) Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes  No If yes, explain:

(6) Effective date of rule:

**Permanent Rules**
