**(3) Citation of existing rules affected by this order:**

Repealed:

Amended:

Suspended:

**(4) Statutory authority for adoption:** Chapter 15.17 RCW

Other Authority:

### PERMANENT RULE ONLY

Adopted under notice filed as WSR \_\_\_\_\_ on \_\_\_\_\_ (date).

Describe any changes other than editing from proposed to adopted version:

### EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule must be in place and approved by the U.S. Fish and Wildlife Service in order for the ginseng industry in the state of Washington to begin exporting after the 1996 harvest. If the ginseng industry is unable to export after the 1996 harvest, they will suffer significant economic loss. Due to the potential economic losses that could occur without this rule in place, the Department of Agriculture is instituting this emergency rule so the public welfare is served and will not be harmed.

### EXPEDITED REPEAL ONLY
