WAC 18-20-010 STANDARDS OF PURPOSE AND APPLICABILITY.

These rules and regulations are enacted under the provisions of the 1969 amendments to the Washington Clean Air Act (RCW 70.94.143, chapter 168, section 18, Laws of 1969, 1st Ex. Sess., and RCW 70.94.385, chapter 168, section 37, Laws of 1969, 1st Ex. Sess.) to establish standards of eligibility for the granting of state financial aid to applicant air pollution control agencies.

WAC 18-20-020 DEFINITIONS.

- (1) "State board" means the state air pollution control board.
- (2) "Air pollution control agency" means any activated air pollution control authority.
- (3) "Applicant" means an air pollution control agency applying for state financial aid under the provisions of chapter 70.94 RCW.
- (4) "Grantee" means an applicant for whom state financial aid has been approved by the state board.
- (5) "Locally funded portion" or "local funds" means the funds provided to the applicant agency from sources available to it under chapter 70.94 RCW exclusive of state financial aid or federal funds designated specifically for air pollution.
- (6) "Workable program" means a comprehensive statement of objectives for the prevention and control of air pollution and the existing and proposed measures to achieve these objectives as described in WAC 18-20-050.
- (7) "Payment ratio" means the ratio of the amount of approved state financial aid to the local funds provided by the grantee.

WAC 18-20-030 LIMITATIONS. State financial aid shall be granted to air pollution control agencies qualifying under these regulations subject to the following limitations:

- (1) State financial aid shall not exceed an amount equal to fifty percent of the locally funded portion of the annual expenditures of such air pollution control agency in each of the first three years during which state financial aid is utilized by the agency and shall not exceed an amount equal to one hundred percent of the locally funded portion in each year thereafter.
- (2) The state board may limit the amount of financial aid available to a grantee when it becomes necessary due to the lack of sufficient funds available for distribution to meet the needs of all qualified grantees throughout the state.
- (3) The state board may limit the amount of financial aid to less than the amount for which the applicant applies when the state board determines that proposed items of expenditure are not consistent with air pollution control program needs in the applicant's area of jurisdiction, or are not in the best interests of a coordinated statewide air pollution control program, or where such items of expenditure duplicate the responsibilities and activities of the state board.

WAC 18-20-060 GRANT CONDITIONS.

- (1) No grant of state funds shall be made to any grantee for a period in excess of twelve months.
- (2) Any state financial aid granted shall be used solely for carrying out the program outlined in the approved application or approved amendment as provided in section WAC 18-20-040 and -080.
- (3) The grantee shall provide for and maintain such accounting, budgetary, and other fiscal procedures so as to

assure the proper and efficient administration of funds. The fiscal records shall be such as to reflect currently the receipt and disposition of all funds including state financial aid. Such records and documents pertinent to the receipt and disposition of funds shall be kept available for review and audit.

(4) The grantee shall submit quarterly financial and progress reports to the state board.

WAC 18-20-080 CHANGES, AMENDMENTS AND SUPPLEMENTAL STATE FINANCIAL AID.

(1) Changes in the workable program of a grantee during the grant period which would not substantially affect the workable program, nor increase the total cost to the state, and which are for the purpose of improving the operation and performance of the workable plan, may be made: PROVIDED, That written approval in advance is obtained from the executive director of the state board.

(2) Changes in the workable program of a grantee during the grant period which would significantly alter the workable program shall not be made until the grantee has submitted to, and the state board has approved, an amendment to the original application.

(3) Application for supplemental state financial aid may be made by the grantee when notice is given by the state board that such supplemental funds have become available. The application shall be made as an amendment to the previously approved workable program of the grantee and shall include proposed additions in or improvements to the workable program and proposed changes in the budget including the additional local funds to be provided. The state board may approve additional financial aid to the extent such funds become available having considered the needs of all grantees throughout the state.

WAC 18-20-100 FEDERAL GRANTS. The standards and requirements of these regulations establishing the eligibility of air pollution control authorities for state financial aid shall be equally applicable to the applications of such agencies for federal grants under the provisions of the 1969 amendments to the Washington Clean Air Act (chapter 70.94 RCW, chapter 168, section 18, Laws of 1969, 1st Ex. Sess.).
