

NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION

WASHINGTON ATTORNEY GENERAL

The Washington Attorney General issues formal published opinions in response to requests by the heads of state agencies, state legislators, and county prosecuting attorneys. When it appears that individuals outside the Attorney General's Office have information or expertise that will assist in the preparation of a particular opinion, a summary of that opinion request will be published in the state register. If you are interested in commenting on a request listed in this volume of the register, you should notify the Attorney General's Office of your interest by February 28, 1996. This is not the due date by which comments must be received. However, if you do not notify the Attorney General's Office of your interest in commenting on an opinion request by February 28, 1996, the opinion may be issued before your comments have been received. You may notify the Attorney General's Office of your intention to comment by calling (360) 753-4114, or by writing to the Solicitor General, Office of the Attorney General, P.O. Box 40100, Olympia, Washington 98504-0100. When you notify the office of your intention to comment, you will be provided with a copy of the opinion request in which you are interested; information about the Attorney General's Opinion process; information on how to submit your comments; and a due date by which your comments must be received to ensure that they are fully considered.

The Attorney General's Office seeks public input on the following opinion requests.

96-02-03 Request by Eugene A. Prince, Senator

Does the Department of Transportation have authority to use the money appropriated to it in subsection (5) of section 228, chapter 14, Laws of Washington, 2nd special session, for the acquisition of property required to be used as a wetlands mitigation site for the development of a horse racing track facility, assuming that acquisition of the property in question is not connected in any way with the construction, maintenance or operation of the state's system of highways and roads?
