- (10) "Grievance procedure" means the formal process for resolution of problems or concerns raised by enrollees which cannot be resolved in an informal manner to the enrollee's satisfaction. "Grievance" means a problem or concern presented for resolution through a grievance procedure.
- (11) "Gross family income" means the total income of all members of an enrollee's family, regardless of whether those family members enroll in the plan. (a) For purposes of this definition, for applications for enrollment which are received by the plan on or before March 31, 1989, "income" includes but is not limited to wages and salaries, net income from rentals or self-employment, tips, interest income, dividends, royalties, public or private pensions, and Social Security benefits. (b) For purposes of this definition, for applications for enrollment which are received by the plan on or after April 1, 1989 and for premium payments which are made for coverage on or after June 1, 1989, "income" means total cash receipts before taxes from all sources, with the exceptions noted below.

Also excluded are noncash benefits, such as the employer-paid or union-paid portion of health insurance or other employee fringe benefits, food or housing received in lieu of wages, the value of food and fuel produced and consumed on farms, the imputed value of rent from owner-occupied nonfarm or farm housing, and such Federal noncash benefit programs as Medicare, Medicaid, food stamps, school lunches, and housing assistance. (d) In the event that an item of income is received periodically, but less frequently than once per month, the latest amount received will be divided by the number of months in the period (i.e., between payments) in order to calculate an average amount per month. That monthly average will be combined with other monthly items of income to derive a monthly total, which will be used in the calculation of income as a percentage of federal poverty level. (For example, if an applicant receives quarterly interest payments in January, April, July, and October, and applies for coverage by the plan in September, the July payment will be divided by three to obtain a monthly income amount.)
