STATE OF WASHINGTON
STATE BOARD FOR COMMUNITY COLLEGE EDUCATION
ADMINISTRATIVE ORDER NO. 31
SBCCE ORDER REGISTER

A resolution relating to the granting of salary increases for non-civil service personnel.

WHEREAS the State Board for Community College Education finds that the immediate adoption of Washington Administrative Code regulations governing the granting of salary increases for non-civil service personnel of the community college system is necessary for the preservation of the public health, safety, and general welfare and that the observation of the requirement of notice and opportunity to present views and proposed action will be contrary to the public interest in that there exists a need to give the rule immediate effect to replace a previously adopted rule that the Board wishes to repeal;

NOW, THEREFORE, BE IT RESOLVED by the State Board for Community College Education that it adopt Administrative Order No. 31 and the annexed regulations identified as WAC 131-16-300 and made a part hereof as an emergency rule.

BE IT FURTHER RESOLVED that Resolution No. 74-17 as transmitted by Administrative Order No. 26 dated May 9, 1974, adopting Resolution No. 74-9 as an emergency rule is hereby repealed.

This resolution and annexed regulations after being first recorded as an administrative order in the Order Register of the State Board shall be forwarded to the Code Reviser for filing as an emergency rule pursuant to Chapter 34.04 RCW.

Approved and adopted this 1st day of August, 1974.

Chairman, State Board for Community
College Education

WAC 131-16-300 SALARY INCREASES FOR NON-CIVIL SERVICE PERSONNEL.

(1) The State Board clearly recognizes and supports the right of faculty to bargain collectively with district boards of trustees under the provisions of the Professional Negotiations Law (RCW 28B.52); however, the State Board assumes the responsibility to control the use of funds within legislative intent on all matters.

(2) It is the judgment of the State Board that district boards should refrain from granting to non-civil service personnel any general salary increases for academic year 1974-75; however, district boards may:

(a) Implement existing salary administration plans and schedules by granting incremental and/or promotional advancements as therein provided when, in the judgment of the district board of trustees, sufficient funds to do so are available provided further that such amounts do not exceed the total monetary amount of increments established in the 1973-74 schedules;

(b) Implement in lieu of increments an increase equal to the system-wide average incremental percentage which is determined to be three percent; and

(c) Implement modifications in the salary administration plan and schedule under the specific conditions set forth in subsection (3) of this section.

(3) Should salary adjustments be negotiated pursuant to RCW 28B.52, the State Board will review the budget of said district and may, under its authority, revise the budget consistent with standards established by the State Board. District negotiated agreements, policies or contracts as they pertain to salary adjustments will be subject to the budget review procedure of the State Board. Such review must be timely.

(4) So that non-civil service personnel will be able to receive any salary increase provided by the legislature within the 1974-75 contract period, district boards of trustees should include language in individual employment contracts and negotiated agreements to assure that such increases will be legal.

(5) It is the intent of the State Board that this rule will be repealed or amended appropriately to conform with future legislative actions related to salaries.
