EMERGENCY RULE REGARDING LOCAL MATCHING REQUIREMENTS FOR RURAL ARTERIAL TRUST ACCOUNT FUNDS

New Section MP

WAC 136-220-010 Purpose. Chapter 49 Laws of 1983 Extraordinary Session, Section 12 provides that the CRABoard shall establish local matching requirements for counties receiving funds from the Rural Arterial Trust Account (RATA). This WAC Chapter describes how this statutory requirement will be implemented by the CRABoard.

New Section MP

WAC 136-220-020 Establishment of Matching Requirements. The CRABoard finds that most counties have sufficient financial resources to match available Federal funds for road and bridge construction. Matching percentages for those programs range from 10% to 25%, with nominal 20% required to match Federal Aid Secondary (FAS) funds expended on the major collector system. Since RATA funds are very similar in application to FAS funds counties shall be required to match RATA funds in the ratio of 20% local funds to 80% RATA funds on projects for which RATA funds are requested.

New Section MP

WAC 136-220-030 Hardship Appeal. Whenever a county with an approved RAP project is unable to enter into a contract with the CRABoard to complete such project because it does not have sufficient local funds available to match RATA funds, it may make a hardship appeal to the CRABoard for a local match variance. A hardship appeal may be initiated by a letter from the Chairman of the Board or the Executive of the appealing county addressed to the CRABoard. The appeal will be heard at the next CRAB/RAP meeting.
