Brief Description: Deferring certain taxes.

HB 1615 - DIGEST

Includes the construction of new buildings and the acquisition of new related machinery and equipment to be used for distribution activities as eligible for tax deferral.

Requires the construction and acquisition to be commenced prior to December 31, 2000.

Provides that RCW 82.61.020 and 82.61.030 shall expire July 1, 2000.

Extends the reporting period on the effects of the chapter on new manufacturing and research and development activities in the state.
