

1743-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Flemming, Horn, Rust, Linville, Valle and J. Kohl)

Brief Description: Establishing a pilot multimedia program for pollution prevention.

**HB 1743-S - DIGEST**

(DIGEST AS ENACTED)

Requires the designation of an industry type and up to ten facilities, not later than January 1, 1995, to be the focus of a pilot multimedia program.

Provides for the investigation of the feasibility of issuing facility-wide permits.

Establishes a pilot program to encourage environmental permit program efficiency and pollution prevention through increased private sector participation in the preparation of waste water discharge permits.

Requires a study to evaluate the feasibility of utilizing private sector expertise for permit compliance assurance activities.

Requires a report to the legislature by December 1, 1996.
