Brief Description: Facilitating state-wide transportation planning.

**HB 1942 - DIGEST**

(AS \_\_\_\_\_ OF HOUSE 2ND READING 3/13/93)

Designates the transportation facilities and services which are deemed to be of state-wide significance.

Declares that improvements to facilities and services of state-wide significance identified in the state-wide multimodal transportation plan shall be considered to be essential state public facilities under RCW 36.70A.200.
