Brief Description: Directing the department of health to test ground water in order to seek waivers under the safe drinking water act.

**HB 2616-S - DIGEST**

(SUBSTITUTED FOR - SEE 2ND SUB)

Directs the department of health to conduct a voluntary program to selectively test the ground waters of the state for organic and inorganic chemicals regulated under federal law for the purpose of granting area-wide waivers.

Provides that small systems should pay smaller fees for testing services.

Requires a report to the legislature by December 1, 1994.
