

2738-S

Sponsor(s): House Committee on Health Care (originally sponsored by Representatives Flemming and Foreman)

Brief Description: Revising provisions relating to certificates of need.

HB 2738-S - DIGEST

(AS OF HOUSE 2ND READING 2/11/94)

Provides that any health care facility or health maintenance organization providing services similar to the services under review for a certificate of need has the right to an adjudicative proceeding on the decision to grant or deny a certificate.
