

2863-S

Sponsor(s): House Committee on Transportation (originally sponsored by Representatives Zellinsky, R. Meyers and Schmidt)

Brief Description: Facilitating acquisition of a propulsion system for new jumbo ferries.

HB 2863-S.E - DIGEST

(DIGEST AS ENACTED)

Declares an intent that the vessel construction should not be delayed further because of the acquisition of a propulsion system.

Authorizes the department of transportation to acquire all components of a complete propulsion system as soon as possible.

Specifies the criteria and procedures for expedited acquisition of the propulsion system.

Requires a review of current procurement statutes.
