10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

11       **Sec. 1.** RCW 17.10.905 and 1975 1st ex.s. c 13 s 17 are each  
12 amended to read as follows:

13       The purpose of this chapter is to limit economic loss (~~((due to the~~  
14 ~~presence and spread of noxious weeds on or near agricultural land))~~ and  
15 adverse effects to Washington's agricultural, natural, and human  
16 resources due to the presence and spread of noxious weeds on all  
17 terrestrial and aquatic areas in the state.

18       The intent of the legislature is that this chapter be liberally  
19 construed, and that the jurisdiction, powers, and duties granted to the

1 county noxious weed control boards by this chapter are limited only by  
2 specific provisions of this chapter or other state and federal law.

3 **Sec. 2.** RCW 17.10.010 and 1995 c 255 s 6 are each amended to read

19 dust, floor sweepings, sand, and dirt.

20 **Sec. 3.** RCW 17.10.020 and 1969 ex.s. c 113 s 2 are each amended to  
21 read as follows:

22 (1) In each county of the state there is (~~hereby~~) created a  
23 noxious weed control board, (~~which shall~~) bearing the name of the  
24 county within which it is located. The jurisdictional boundaries of  
25 each board (~~shall be coextensive with~~) are the boundaries of the  
26 county within which it is located.

27 (2) Each noxious weed control board (~~shall be~~) is inactive until  
28 activated pursuant to the provisions of RCW 17.10.040.

29 **Sec. 4.** RCW 17.10.030 and 1987 c 438 s 2 are each amended to read  
30 as follows:

31 There is (~~hereby~~) created a state noxious weed control board  
32 (~~which shall be~~) comprised of nine voting members and three nonvoting  
33 members. Four of the voting members shall be elected by the members of  
34 the various activated county noxious weed control boards, and shall be  
35 residents of a county in which a county noxious weed control board has  
36 been activated and a member of said board, and those qualifications  
37 shall continue through their term of office. Two (~~such~~) of these

1 members shall be elected from the west side of the state, the crest of  
2 the Cascades being the dividing line, and two from the east side of the  
3 state. The director of agriculture (~~((shall be))~~) is a voting member of  
4 the board. One voting member shall be elected by the directors of the  
5 various active weed districts formed under chapter 17.04 or 17.06 RCW.  
6 The Washington state association of counties (~~((shall))~~) appoints one  
7 voting member who shall be a member of a county legislative authority.  
8 (~~((The director shall appoint three nonvoting members representing  
9 scientific disciplines relating to weed control.))~~) The director shall  
10 (~~((also))~~) appoint two voting members to represent the public interest,  
11 one from the west side and one from the east side of the state. The  
12 director shall also appoint three nonvoting members representing  
13 scientific disciplines relating to weed control. The term of office  
14 for all members of the board (~~((shall be))~~) is three years from the date  
15 of election or appointment.

16 The board, by rule, shall establish a position number for each  
17 elected position of the board and shall designate which county noxious  
18 weed control board members are eligible to vote for each elected  
19 position. The elected members (~~((shall))~~) serve staggered terms.  
20 Elections for the elected members of the board shall be held thirty  
21 days prior to the expiration date of their respective terms.  
22 Nominations and elections shall be by mail and conducted by the board.

23 The board shall conduct its first meeting within thirty days after  
24 all its members have been elected. The board shall elect from its  
25 members a (~~((chairman))~~) chair and (~~((such))~~) other officers as may be  
26 necessary. A majority of the voting members of the board (~~((shall))~~)  
27 constitutes a quorum for the transaction of business and (~~((shall be))~~)  
28 is necessary for any action taken by the board. The members of the  
29 board (~~((shall))~~) serve without salary, but shall be reimbursed for  
30 travel expenses incurred in the performance of their duties under this  
31 chapter in accordance with RCW 43.03.050 and 43.03.060 (~~((as now  
32 existing or hereafter amended))~~).

33 **Sec. 5.** RCW 17.10.040 and 1987 c 438 s 3 are each amended to read  
34 as follows:

35 An inactive county noxious weed control board may be activated by  
36 any one of the following methods:

37 (1) Either within sixty days after a petition is filed by one  
38 hundred registered voters within the county or, on its own motion, the

1 county legislative authority shall hold a hearing to determine whether  
2 there is a need, due to a damaging infestation of noxious weeds, to  
3 activate the county noxious weed control board. If such a need is  
4 found to exist, then the county legislative authority shall, in the  
5 manner provided by RCW 17.10.050, appoint five persons to (~~hold seats~~  
6 ~~on~~) the county's noxious weed control board.

7 (2) If the county's noxious weed control board is not activated  
8 within one year following a hearing by the county legislative authority  
9 to determine the need for activation, then upon the filing with the  
10 state noxious weed control board of a petition comprised either of the  
11 signatures of at least two hundred registered voters within the county,  
12 or of the signatures of a majority of an adjacent county's noxious weed  
13 control board, the state board shall, within six months of the date of  
14 (~~such~~) the filing, hold a hearing in the county to determine the need  
15 for activation. If a need for activation is found to exist, then the  
16 state board shall order the county legislative authority to activate  
17 the county's noxious weed control board and to appoint members to  
18 (~~such~~) the board in the manner provided by RCW 17.10.050.

19 (3) The director, (~~with notice to~~) upon request of the state  
20 noxious weed control board, (~~may~~) shall order a county legislative  
21 authority to activate the noxious weed control board immediately if an  
22 infestation of a class A noxious weed or class B noxious weed  
23 designated for control (~~within the region wherein the county lies as~~  
24 ~~defined in RCW 17.10.080~~) on the state noxious weed list is confirmed  
25 in that county. The county legislative authority may, as an  
26 alternative to activating the noxious weed board, combat the class A  
27 noxious weed or class B noxious weed with county resources and  
28 personnel operating with the authorities and responsibilities imposed  
29 by this chapter on a county noxious weed control board. No county may  
30 continue without a noxious weed control board for a second consecutive  
31 year if the class A noxious weed or class B noxious weed (~~designated~~  
32 ~~for control within the region wherein the county lies~~) has not been  
33 eradicated.

34 **Sec. 6.** RCW 17.10.050 and 1987 c 438 s 4 are each amended to read  
35 as follows:

36 (1) Each activated county noxious weed control board (~~shall~~)  
37 consists of five voting members (~~who shall be~~) appointed by the  
38 county legislative authority. In appointing (~~such~~) the voting

1 members, the county legislative authority shall divide the county into  
2 five (~~((sections, none of which shall overlap and each of which shall be~~  
3 ~~of the same approximate area))~~ geographical areas that best represent  
4 the county's interests, and (~~((shall))~~) appoint a voting member from each  
5 (~~((section))~~) geographical area. At least four of the voting members  
6 shall be engaged in the primary production of agricultural products.  
7 There (~~((shall be))~~) is one nonvoting member on (~~((such))~~) the board who  
8 (~~((shall be))~~) is the (~~((chief))~~) chair of the county extension (~~((agent))~~)  
9 office or an extension agent appointed by the (~~((chief))~~) chair of the  
10 county extension (~~((agent))~~) office. Each voting member of the board  
11 (~~((shall))~~) serves a term of four years, except that the county  
12 legislative authority shall, when a board is first activated under this  
13 chapter, designate two voting members to serve terms of two years. The  
14 board members shall not receive a salary but shall be compensated for  
15 actual and necessary expenses incurred in the performance of their  
16 official duties.

17 (2) The voting members of the board (~~((shall represent the same~~  
18 ~~sections designated by the county legislative authority in appointing~~  
19 ~~members to the board at its inception and shall))~~) serve until their  
20 replacements are appointed. New members of the board shall be  
21 appointed at least thirty days prior to the expiration of any board  
22 member's term of office.

23 Notice of expiration of a term of office shall be published at  
24 least twice in a weekly or daily newspaper of general circulation in  
25 (~~((said))~~) the section with last publication occurring at least ten days  
26 prior to the nomination. All persons interested in appointment to the  
27 board and residing in the (~~((section))~~) geographical area with a pending  
28 nomination shall make a written application that includes the  
29 signatures of at least ten registered voters residing in the  
30 (~~((section))~~) geographical area supporting the nomination to the county  
31 noxious weed control board. After nominations close, the county  
32 noxious weed control board shall, after a hearing, send the  
33 applications to the county legislative authority recommending the names  
34 of the most qualified candidates, and (~~((shall))~~) post the names of those  
35 nominees in the county courthouse and (~~((in three places in the~~  
36 ~~section))~~) publish in at least one newspaper of general circulation in  
37 the county. The county legislative authority, within ten days of  
38 receiving the list of nominees, shall appoint one of those nominees to

1 the county noxious weed control board to represent that (~~section~~)  
2 geographical area during that term of office.

3 (3) Within thirty days after all the members have been appointed,  
4 the board shall conduct its first meeting. A majority of the voting  
5 members of the board (~~shall~~) constitutes a quorum for the transaction  
6 of business and (~~shall be~~) is necessary for any action taken by the  
7 board. The board shall elect from its members a (~~chairperson~~) chair  
8 and (~~such~~) other officers as may be necessary.

9 (4) In case of a vacancy occurring in any voting position on a  
10 county noxious weed control board, the county legislative authority of  
11 the county in which (~~such~~) the board is located shall appoint a  
12 qualified person to fill the vacancy for the unexpired term.

13 **Sec. 7.** RCW 17.10.060 and 1987 c 438 s 5 are each amended to read  
14 as follows:

15 (1) Each activated county noxious weed control board (~~may~~) shall  
16 employ or otherwise provide a weed coordinator whose duties (~~shall~~  
17 ~~be~~) are fixed by the board but which shall include inspecting land to  
18 determine the presence of noxious weeds, offering technical assistance  
19 and education, and developing a program to achieve compliance with the  
20 weed law. The weed coordinator may be employed full time, part time,  
21 or seasonally by the county noxious weed control board. County weed  
22 board employment practices shall comply with county personnel policies.  
23 Within sixty days from initial employment the weed coordinator shall  
24 obtain a pest control consultant license, a pesticide operator license,  
25 and the necessary endorsements on the licenses as required by law.  
26 Each board may purchase, rent, or lease (~~such~~) equipment, facilities,  
27 or products and may hire (~~such~~) additional persons as it deems  
28 necessary for the administration of the county's noxious weed control  
29 program.

30 (2) Each activated county noxious weed control board (~~shall have~~)  
31 has the power to adopt (~~such~~) rules and regulations, subject to  
32 notice and hearing as provided in chapters 42.30 and 42.32 RCW (~~as now~~  
33 ~~or hereafter amended~~), as are necessary for an effective county weed  
34 control or eradication program.

35 (3) Each activated county noxious weed control board shall meet  
36 with a quorum at least quarterly.

1       **Sec. 8.** RCW 17.10.070 and 1987 c 438 s 6 are each amended to read

4 control board under other provisions of this chapter, it (~~shall have~~)  
5 has the power to:

6       (a) Employ a state noxious weed control board executive secretary  
7 (~~who shall~~), and additional persons as it deems necessary, to  
8 disseminate information relating to noxious weeds to county noxious  
9 weed control boards and weed districts (~~and who shall work~~), to  
10 coordinate the educational and weed control efforts of the various  
11 county and regional noxious weed control boards and weed districts, and  
12 to assist the board in carrying out its responsibilities;

13       (b) Adopt, amend, (~~change,~~) or repeal (~~such~~) rules, pursuant to  
14 the administrative procedure act, chapter 34.05 RCW, as may be  
15 necessary to carry out the duties and authorities assigned to the board  
16 by this chapter.

17       (2) The state noxious weed control board shall provide a written  
18 report before January 1 of each odd-numbered year to the governor, the  
19 legislature, the county noxious weed control boards, and the weed  
20 districts showing the (~~funds disbursed by the department to each~~  
21 ~~noxious weed control board or district,~~) expenditure of state funds on  
22 noxious weed control; specifically how the funds were spent(~~(,)~~); the  
23 status of the state, county, and district programs; and recommendations  
24 for the continued best use of state funds for noxious weed control.  
25 The report shall include recommendations as to the long-term needs  
26 regarding weed control.

27       **Sec. 9.** RCW 17.10.074 and 1987 c 438 s 7 are each amended to read  
28 as follows:

29       (1) In addition to the powers conferred on the director under other  
30 provisions of this chapter, the director (~~shall~~), with the advice of  
31 the state noxious weed control board, (~~have~~) has power to:

32       (a) Require the county legislative authority or the noxious weed  
33 control board of any county or any weed district to report to it  
34 concerning the presence, absence, or estimated amount of noxious weeds  
35 and measures, if any, taken or planned for the control thereof;

36       (b) Employ (~~such~~) staff as may be necessary in the administration  
37 of this chapter;

1 (c) Adopt, amend, (~~change~~) or repeal (~~such~~) rules, pursuant to

4 (d) Do such things as may be necessary and incidental to the  
5 administration of its functions pursuant to this chapter including but

7 (e) Upon receipt of a complaint signed by a majority of the members  
8 of an adjacent county noxious weed control board or weed district, or  
9 by fifty registered voters within the county, require the county  
10 legislative authority or noxious weed control board of the county or  
11 weed district that is the subject of the complaint to respond to the  
12 complaint within forty-five days with a plan for the control of the  
13 noxious weeds cited in the complaint;

14 (f) If the complaint in (~~subsection~~) (e) of this subsection  
15 involves a class A or class B noxious weed, order the county  
16 legislative authority, noxious weed control board, or weed district to  
17 take immediate action to eradicate or control the noxious weed  
18 infestation. If the county or the weed district does not take action  
19 to control the noxious weed infestation in accordance with the order,  
20 the director may control it or cause it to be controlled. The county  
21 or weed district (~~shall be~~) is liable for payment of the expense of  
22 the control work including necessary costs and expenses for attorneys'  
23 fees incurred by the director in securing payment from the county or  
24 weed district. The director may bring a civil action in a court of  
25 competent jurisdiction to collect the expenses of the control work,  
26 costs, and attorneys' fees;

27 (g) In counties (~~which have not activated their~~) without an

5 department shall be used for administration of the state noxious weed  
6 control board (~~((for determining the economic impact of noxious weeds in

8 under this chapter, the purchase of materials for controlling,  
9 containing, or eradicating noxious weeds, the purchase or collection of  
10 biological control agents for controlling noxious weeds, and the  
11 contracting for services to carry out the purposes of this chapter. In  
12 a county with an activated noxious weed control board, the director  
13 shall make every effort to contract with that board for the needed  
14 services.

15 (3) If the director determines the need to reallocate funds  
16 previously designated for county use, the director shall convene a  
17 meeting of the state noxious weed control board to seek its advice  
18 concerning any reallocation.

24 period established by the state weed board the inclusion, deletion, or  
25 designation change of any plant to the (~~((lists to be adopted by the  
26 state noxious weed control board. Any hearing held pursuant to this  
27 section shall conform to the Administrative Procedure Act, chapter

9 B list not designated for control in the noxious weed control region in  
10 which the county lies ((~~which~~)) that it finds necessary to be  
11 controlled in the county. The weeds thus selected and all class A  
12 weeds and those class B weeds that have been designated for control in  
13 the noxious weed control region in which the county lies shall be  
14 classified within that county as noxious weeds, and those weeds  
15 ((~~shall~~)) comprise the county noxious weed list.

16 **Sec. 12.** RCW 17.10.100 and 1987 c 438 s 10 are each amended to  
17 read as follows:

18 Where any of the following occur, the state noxious weed control  
19 board may, following a hearing, order any county noxious weed control  
20 board or weed district to include a noxious weed from the state board's  
21 list in the county's noxious weed list:

22 (1) Where the state noxious weed control board receives a petition  
23 from at least one hundred registered voters within the county  
24 requesting that the weed be listed.

25 (2) Where the state noxious weed control board receives a request  
26 for ((~~such~~)) inclusion from an adjacent county's noxious weed control  
27 board or weed district, which the adjacent board or district has  
28 included that weed in ((~~the~~)) its county list, and ((~~which~~)) the  
29 adjacent board or weed district alleges that its noxious weed control  
30 program is being hampered by the failure to include the weed on the  
31 county's noxious weed list.

32 **Sec. 13.** RCW 17.10.110 and 1987 c 438 s 11 are each amended to  
33 read as follows:

34 A regional noxious weed control board comprising the area of two or  
35 more counties may be created as follows:

1 Either the county legislative authority ((and/or)), or the noxious  
2 weed control board, or both, of two or more counties may, upon a  
3 determination that the purpose of this chapter will be served by the  
4 creation of a regional noxious weed control board, adopt a resolution  
5 providing for a limited merger of the functions of their respective  
6 counties noxious weed control boards. ((Such)) The resolution  
7 ((shall)) becomes effective only when a similar resolution is adopted  
8 by the other county or counties comprising the proposed regional board.

9 **Sec. 14.** RCW 17.10.120 and 1987 c 438 s 12 are each amended to  
10 read as follows:

11 In any case where a regional noxious weed control board is created,  
12 the county noxious weed control boards comprising the regional board  
13 shall still remain in existence and shall retain all powers and duties  
14 provided for ((such)) the boards under this chapter.

15 The regional noxious weed control board ((shall be)) is comprised  
16 of the voting members and the nonvoting members of the component  
17 counties noxious weed control boards or county legislative authorities  
18 who shall, respectively, be the voting and nonvoting members of the  
19 regional board: PROVIDED, That each county shall have an equal number  
20 of voting members. The board may appoint other nonvoting members as  
21 deemed necessary. A majority of the voting members of the board  
22 ((shall)) constitutes a quorum for the transaction of business and  
23 ((shall be)) is necessary for any action taken by the board. The board  
24 shall elect a ((chairperson)) chair from its members and ((such)) other  
25 officers as may be necessary. Members of the regional board ((shall))  
26 serve without salary but shall be compensated for actual and necessary  
27 expenses incurred in the performance of their official duties.

28 **Sec. 15.** RCW 17.10.130 and 1987 c 438 s 13 are each amended to  
29 read as follows:

30 The powers and duties of a regional noxious weed control board are  
31 as follows:

32 (1) The regional board shall, within ((thirty)) ninety days of the  
33 ((receipt)) adoption of the state noxious weed list from the state  
34 noxious weed control board and following a hearing, select those weeds  
35 from the state list ((which)) that it finds necessary to be controlled  
36 on a regional basis. The weeds thus selected shall also be contained  
37 in the county noxious weed list of each county in the region.

1 (2) The regional board shall take ~~((such))~~ action as may be  
2 necessary to coordinate the noxious weed control programs of the region  
3 and ~~((shall))~~ adopt a regional plan for the control of noxious weeds.

4 **Sec. 16.** RCW 17.10.134 and 1987 c 438 s 14 are each amended to  
5 read as follows:

6 Obligations or liabilities incurred by any county or regional  
7 noxious weed control board or any claims against a county or regional  
8 noxious weed control board ~~((shall be))~~ are governed by chapter 4.96  
9 RCW or RCW 4.08.120: PROVIDED, That individual members or employees of  
10 a county noxious weed control board ~~((shall be))~~ are personally immune  
11 from civil liability for damages arising from actions performed within  
12 the scope of their official duties or employment.

13 **Sec. 17.** RCW 17.10.140 and 1969 ex.s. c 113 s 14 are each amended  
14 to read as follows:

15 (1) Except as is provided under ~~((RCW 17.10.150))~~ subsection (2) of  
16 this section, every owner shall perform~~((7))~~ or cause to be performed  
17 ~~((such))~~ those acts as may be necessary to ~~((control and to prevent the~~  
18 ~~spread of noxious weeds from his))~~:

19 (a) Eradicate all class A noxious weeds;

20 (b) Control and prevent the spread of all class B noxious weeds  
21 designated for control in that region within and from the owner's  
22 property; and

23 (c) Control and prevent the spread of all class B and class C  
24 noxious weeds listed on the county weed list as locally mandated  
25 control priorities within and from the owner's property.

26 (2) Forest lands classified under RCW 17.10.240(3), or meeting the  
27 definition of forest lands contained in RCW 17.10.240, are subject to  
28 the requirements of subsection (1)(a) and (b) of this section at all  
29 times. Forest lands are subject to the requirements of subsection  
30 (1)(c) of this section only within a one thousand foot buffer strip of  
31 adjacent land uses and within the right of way of public access  
32 transportation corridors. In addition, forest lands are subject to  
33 subsection (1)(c) of this section for a single five-year period  
34 following the harvesting of trees for lumber.

35 **Sec. 18.** RCW 17.10.145 and 1995 c 374 s 75 are each amended to  
36 read as follows:

1 All state agencies shall control noxious weeds on lands they own,  
2 lease, or otherwise control through integrated pest management  
3 practices. Agencies shall develop plans in cooperation with county  
4 noxious weed control boards to control noxious weeds in accordance with  
5 standards in this chapter. All state agencies' lands must comply with  
6 this chapter, regardless of noxious weed control efforts on adjacent  
7 lands. (~~County noxious weed control boards shall assist landowners to~~  
8 ~~meet and exceed the standards on state lands.~~)

9 **Sec. 19.** RCW 17.10.154 and 1987 c 438 s 16 are each amended to  
10 read as follows:

11 It is recognized that the prevention, control, and eradication of  
12 noxious weeds presents a problem for immediate as well as for future  
13 action. It is further recognized that immediate prevention, control,  
14 and eradication is practicable on some lands and that prevention,  
15 control, and eradication on other lands should be extended over a  
16 period of time. Therefore, it is the intent of this chapter that  
17 county noxious weed control boards may use their discretion and, by  
18 agreement with the owners of land, may propose and accept plans for  
19 prevention, control, and eradication (~~which~~) that may be extended  
20 over a period of years. The county noxious weed control board may make  
21 an agreement with the owner of any parcel of land by contract between  
22 the landowner and the respective county noxious weed control board, and  
23 the board shall enforce the terms of any agreement. The county noxious  
24 weed control board may make any terms (~~which~~) that will best serve  
25 the interests of the owners of the parcel of land and the common  
26 welfare (~~which~~) that comply with this chapter (~~and the rules adopted~~  
27 ~~thereunder~~)).

28 **Sec. 20.** RCW 17.10.160 and 1987 c 438 s 17 are each amended to  
29 read as follows:

30 Any authorized agent or employee of the county noxious weed control  
31 board or of the state noxious weed control board or of the department  
32 of agriculture where not otherwise proscribed by law may enter upon any  
33 property for the purpose of administering this chapter and any power  
34 exercisable pursuant thereto, including the taking of specimens of  
35 weeds (~~or other materials~~), general inspection, and the performance  
36 of eradication or control work. Prior to carrying out the purpose(~~s~~)  
37 for which the entry is made, the official making such entry or someone

1 in his or her behalf, shall (~~have first made~~) make a reasonable  
2 attempt to notify the owner of the property as to the purpose and need  
3 for the entry.

4 (1) When there is probable cause to believe that there is property  
5 within this state not otherwise exempt from process or execution upon  
6 which noxious weeds are standing or growing and the owner (~~thereof~~)  
7 refuses permission to inspect the property, a judge of the superior  
8 court or district court in the county in which (~~such~~) the property is  
9 located may, upon the request of the county noxious weed control board  
10 or its agent, issue a warrant directed to (~~such~~) the board or agent  
11 authorizing the (~~search for the noxious weeds described in the request~~  
12 ~~for the warrant~~) taking of specimens of weeds or other materials,  
13 general inspection, and the performance of eradication or control work.

14 (2) Application for issuance and execution and return of the  
15 warrant authorized by this section shall be in accordance with the  
16 applicable rules of the superior court or the district courts.

17 (3) Nothing in this section requires the application for and  
18 issuance of any warrant not otherwise required by law: PROVIDED, That  
19 civil liability for negligence shall lie in any case in which entry and  
20 any of the activities connected therewith are not undertaken with  
21 reasonable care.

22 (4) Any person who improperly prevents or threatens to prevent  
23 entry upon land as authorized in this section or any person who  
24 interferes with the carrying out of this chapter shall be upon  
25 conviction guilty of a misdemeanor.

26 **Sec. 21.** RCW 17.10.170 and 1987 c 438 s 18 are each amended to  
27 read as follows:

28 (1) Whenever the county noxious weed control board finds that  
29 noxious weeds are present on any parcel of land, and that the owner  
30 (~~thereof~~) is not taking prompt and sufficient action to control the  
31 (~~same~~) noxious weeds, pursuant to the provisions of RCW 17.10.140  
32 (~~and 17.10.150~~), it shall notify the owner that a violation of this  
33 chapter exists. The notice shall be in writing and sent by certified  
34 mail, and shall identify the noxious weeds found to be present, order  
35 prompt control action, and specify the time, of at least ten days from  
36 issuance of the notice, within which the prescribed action must be  
37 taken. Upon deposit of the certified letter of notice, the noxious  
38 weed control authority shall make an affidavit of mailing (~~which shall~~

1 be)) that is prima facie evidence that proper notice was given. If  
2 seed (~~(dispersion)~~) or other propagule dispersion is imminent,  
3 immediate control action may be taken forty-eight hours following the  
4 time that notification is reasonably expected to have been received by  
5 the owner or agent by certified mail or personal service, instead of  
6 ten days. If a landowner received a notice of violation from the  
7 county noxious weed control board in a prior growing season, removal or  
8 destruction of all above ground plant parts may be required at the most  
9 effective point in the growing season, as determined by the county weed  
10 board, which may be before or after propagule dispersion.

11 (2) The county noxious weed control board or its authorized agents  
12 may issue a notice of civil infraction as provided for in RCW 17.10.230  
13 (~~(and)~~), 17.10.310 (~~(through)~~), and 17.10.350 to owners who do not take  
14 action to control noxious weeds in accordance with the notice.

15 (3) If the owner does not take action to control the noxious weeds  
16 in accordance with the notice, the county board may control them, or  
17 cause their being controlled, at the expense of the owner. The amount  
18 of (~~(such)~~) the expense (~~(shall)~~) constitutes a lien against the  
19 property and may be enforced by proceedings on (~~(such)~~) the lien except  
20 as provided for by RCW 79.44.060. The owner (~~(shall be)~~) is liable for  
21 payment of the expense, and nothing in this chapter shall be construed  
22 to prevent collection of any judgment on account thereof by any means  
23 available pursuant to law, in substitution for enforcement of the lien.  
24 Necessary costs and expenses including reasonable attorneys' fees  
25 incurred by the county noxious weed control board in carrying out this  
26 section may be recovered at the same time as a part of the action filed  
27 under this section. Funds received in payment for the expense of  
28 controlling noxious weeds shall be transferred to the county noxious  
29 weed control board to be expended as required to carry out the purposes  
30 of this chapter.

31 (4) The county auditor shall record in his or her office any lien  
32 created under this chapter, and any (~~(such)~~) lien shall bear interest  
33 at the rate of twelve percent per annum from the date on which the  
34 county noxious weed control board approves the amount expended in  
35 controlling (~~(such)~~) the weeds.

36 (5) As an alternative to the enforcement of any lien created under  
37 subsection (3) of this section, the county legislative authority may by  
38 resolution or ordinance require that each (~~(such)~~) lien created  
39 (~~(shall)~~) be collected by the treasurer in the same manner as a

1 delinquent real property tax, if within thirty days from the date the  
2 owner is sent notice of the lien, including the amount thereof, the  
3 lien remains unpaid and an appeal has not been made pursuant to RCW  
4 17.10.180. Liens treated as delinquent taxes (~~shall~~) bear interest  
5 at the rate of twelve percent per annum and (~~such~~) the interest  
6 (~~shall~~) accrues as of the date notice of the lien is sent to the  
7 owner: PROVIDED, That any collections for (~~such~~) the lien shall not  
8 be considered as tax.

9       **Sec. 22.** RCW 17.10.180 and 1987 c 438 s 19 are each amended to  
10 read as follows:

11       Any owner, upon request pursuant to the rules and regulation of the  
12 county noxious weed control board, (~~shall be~~) is entitled to a  
13 hearing before the board on any charge or cost for which the owner is  
14 alleged to be liable pursuant to RCW 17.10.170 or 17.10.210. The board  
15 shall send notice by certified mail within thirty days, to each owner  
16 at the owner's last known address, as to any (~~such~~) charge or cost  
17 and as to his or her right of a hearing. The hearing shall be  
18 scheduled within forty-five days of notification. Any determination or  
19 final action by the board (~~shall be~~) is subject to judicial review by  
20 a proceeding in the superior court in the county in which the property  
21 is located, and (~~such~~) the court (~~shall have~~) has original  
22 jurisdiction to determine any suit brought by the owner to recover  
23 damages allegedly suffered on account of control work negligently  
24 performed: PROVIDED, That no stay or injunction shall lie to delay any  
25 (~~such~~) control work subsequent to notice given pursuant to RCW  
26 17.10.160 or pursuant to an order under RCW 17.10.210.

27       **Sec. 23.** RCW 17.10.190 and 1987 c 438 s 20 are each amended to  
28 read as follows:

29       Each activated county noxious weed control board (~~shall cause to~~  
30 ~~be published~~) must publish annually, and at (~~such~~) other times as  
31 may be appropriate, in at least one newspaper of general circulation  
32 within its area, a general notice. The notice shall direct attention  
33 to the need for noxious weed control and (~~shall~~) give (~~such~~) other  
34 information (~~with respect thereto~~) concerning noxious weed control  
35 requirements as may be appropriate, or (~~shall~~) indicate where such  
36 information may be secured. In addition to the general notice required  
37 (~~hereby~~), the county noxious weed control board may use any

1 appropriate media for the dissemination of information to the public as  
2 may be calculated to bring the need for noxious weed control to the  
3 attention of owners. The board may consult with individual owners  
4 concerning their problems of noxious weed control and may provide them  
5 with information and advice, including giving specific instructions and  
6 methods when and how certain named weeds are to be controlled.  
7 ((Such)) The methods may include ((definite systems of tillage,  
8 cropping, management, or use of livestock)) some combination of  
9 physical, mechanical, cultural, chemical, and/or biological methods,  
10 including livestock. Publication of a notice as required by this  
11 section ((shall)) is not ((be)) a condition precedent to the  
12 enforcement of this chapter.

13 **Sec. 24.** RCW 17.10.205 and 1975 1st ex.s. c 13 s 16 are each  
14 amended to read as follows:

15 Open areas subject to the spread of noxious weeds, ((other than  
16 crop land,)) including but not limited to subdivisions, school grounds,  
17 playgrounds, parks, and rights of way shall be subject to regulation by  
18 activated county noxious weed control boards in the same manner and to  
19 the same extent as is provided for ((agricultural lands)) all  
20 terrestrial and aquatic lands of the state.

21 **Sec. 25.** RCW 17.10.210 and 1987 c 438 s 22 are each amended to  
22 read as follows:

23 (1) Whenever the director ((or)) the county noxious weed control  
24 board, or a weed district finds that a parcel of land is so seriously  
25 infested with class A or class B noxious weeds that control measures  
26 cannot be undertaken thereon without quarantining the land and  
27 restricting or denying access thereto or use thereof, the director  
28 ((or)) the county noxious weed control board, or weed district, with  
29 the approval of the director of the department of agriculture, may  
30 issue an order for ((such)) the quarantine and restriction or denial of  
31 access or use. Upon issuance of the order, the director ((or)) the  
32 county noxious weed control board, or the weed district shall commence  
33 necessary control measures and ((shall prosecute them with due  
34 diligence)) may institute legal action for the collection of costs for  
35 control work, which may include attorneys' fees and the costs of other  
36 appropriate actions.

1 (2) An order of quarantine shall be served, by any method  
2 sufficient for the service of civil process, on all persons known to  
3 qualify as owners of the land within the meaning of this chapter.

4 (3) The director shall, with the advice of the state noxious weed  
5 control board, determine how the expense of control work undertaken  
6 pursuant to this section, and the cost of any quarantine in connection  
7 therewith, (~~shall be~~) is apportioned.

8 **Sec. 26.** RCW 17.10.235 and 1987 c 438 s 30 are each amended to  
9 read as follows:

10 (1) (~~Any person who knowingly or negligently sells a product,~~  
11 ~~article, or feed stuff designated under subsection (2) of this section~~  
12 ~~containing noxious weed seeds or toxic weeds designated for control~~  
13 ~~under subsection (2) of this section and in an amount greater than the~~  
14 ~~amount established by the director for the seed or weed under~~  
15 ~~subsection (2) of this section is guilty of a misdemeanor.~~

16 (~~2~~)) The director of agriculture shall adopt, with the advice of  
17 the state noxious weed control board, rules designating noxious weed  
18 seeds (~~the presence of~~) which shall be controlled in products,  
19 screenings, or articles to prevent the spread of noxious weeds. The  
20 rules shall identify the products, screenings, and articles in which  
21 (~~such~~) the seeds must be controlled and the maximum amount of  
22 (~~such~~) the seed to be permitted in the product, screenings, or  
23 article to avoid a hazard of spreading the noxious weed by seed from  
24 the product, screenings, or article. The director shall also adopt,  
25 with the advice of the state board, rules designating toxic weeds (~~the~~  
26 ~~presence of~~) which shall be controlled in feed stuffs and screenings  
27 to prevent injury to the animal that consumes the feed. The rules  
28 shall identify the feed stuffs and screenings in which the toxic weeds  
29 must be controlled and the maximum amount of the toxic weed to be  
30 permitted in (~~such~~) the feed.

31 (2) Any person who knowingly or negligently sells or otherwise  
32 distributes a product, article, screenings, or feed stuff designated by  
33 rule containing noxious weed seeds or toxic weeds designated for  
34 control by rule and in an amount greater than the amount established by  
35 the director for the seed or weed by rule is guilty of a misdemeanor.

36 (3) The department of agriculture shall, upon request of the buyer,  
37 inspect products, screenings, articles, or feed stuffs designated  
38 (~~under subsection (2) of this section~~) by rule and charge fees, in

1 accordance with chapter 22.09 RCW, to determine the presence of  
2 designated noxious weed seeds or toxic weeds.

3 **Sec. 27.** RCW 17.10.240 and 1995 c 374 s 77 are each amended to  
4 read as follows:

5 (1) The activated county noxious weed control board of each county  
6 shall annually submit a budget to the county legislative authority for  
7 the operating cost of the county's weed program for the ensuing fiscal  
8 year: PROVIDED, That if the board finds the budget approved by the  
9 legislative authority is insufficient for an effective county noxious  
10 weed control program it shall petition the county legislative authority  
11 to hold a hearing as provided in RCW 17.10.890. Control of weeds is a  
12 ~~((special))~~ benefit to the lands within any such section. Funding for  
13 the budget ~~((shall be))~~ is derived from any or all of the following:

14 ~~((1))~~ (a) The county legislative authority may, in lieu of a tax,  
15 levy an assessment against the land for this purpose. Prior to the  
16 levying of an assessment the county noxious weed control board shall  
17 hold a public hearing at which it ~~((shall))~~ will gather information to  
18 serve as a basis for classification and ~~((shall))~~ then classify the  
19 lands into suitable classifications, including but not limited to dry  
20 lands, range lands, irrigated lands, nonuse lands, forest lands, or  
21 federal lands. The board shall develop and forward to the county  
22 legislative authority, as a proposed level of assessment for each  
23 class, ~~((such))~~ an amount as ~~((shall))~~ seems just. The assessment rate  
24 shall be either uniform per acre in its respective class or a flat rate  
25 per parcel rate plus a uniform rate per acre: PROVIDED, That if no  
26 ~~((special))~~ benefits ~~((should be))~~ are found to accrue to a class of  
27 land, a zero assessment may be levied. The county legislative  
28 authority, upon receipt of the proposed levels of assessment from the  
29 board, after a hearing, shall accept~~((r))~~ or modify by resolution, or  
30 refer back to the board for its reconsideration all or any portion of  
31 the proposed levels of assessment. ~~((The findings by the county  
32 legislative authority of such special benefits, when so declared by  
33 resolution and spread upon the minutes of said authority shall be  
34 conclusive as to whether or not the same constitutes a special benefit  
35 to the lands within the section.))~~ The amount of ~~((such))~~ the  
36 assessment ~~((shall))~~ constitutes a lien against the property. The  
37 county legislative authority may by resolution or ordinance require  
38 that notice of the lien be sent to each owner of property for which the

1 assessment has not been paid by the date it was due and that each  
2 (~~such~~) lien created (~~shall~~) be collected by the treasurer in the  
3 same manner as delinquent real property tax, if within thirty days from  
4 the date the owner is sent notice of the lien, including the amount  
5 thereof, the lien remains unpaid and an appeal has not been made  
6 pursuant to RCW 17.10.180. Liens treated as delinquent taxes (~~shall~~)  
7 bear interest at the rate of twelve percent per annum and (~~such~~) the  
8 interest (~~shall~~) accrues as of the date notice of the lien is sent to  
9 the owner: PROVIDED FURTHER, That any collections for (~~such~~) the  
10 lien shall not be considered as tax; or

11 (~~(2)~~) (b) The county legislative authority may appropriate money  
12 from the county general fund necessary for the administration of the  
13 county noxious weed control program. In addition the county  
14 legislative authority may make emergency appropriations as it deems  
15 necessary for the implementation of this chapter.

16 (~~(3)~~) (2) Forest lands used solely for the planting, growing, or  
17 harvesting of trees and which are typified, except during a single  
18 period of five years following clear-cut logging, by canopies so dense  
19 as to prohibit growth of an understory may be subject to an annual  
20 noxious weed assessment levied by a county legislative authority that  
21 (~~shall~~) does not exceed one-tenth of the weighted average per acre  
22 noxious weed assessment levied on all other lands in unincorporated  
23 areas within the county that are subject to the weed assessment. This  
24 assessment shall be computed in accordance with the formula in  
25 subsection (~~(4)~~) (3) of this section.

26 (~~(4)~~) (3) The calculation of the "weighted average per acre  
27 noxious weed assessment" (~~shall be~~) is a ratio expressed as follows:

28 (a) The numerator (~~shall be~~) is the total amount of funds  
29 estimated to be collected from the per acre assessment on all lands  
30 except (i) forest lands as identified in subsection (~~(3)~~) (2) of this  
31 section, (ii) lands exempt from the noxious weed assessment, and (iii)  
32 lands located in an incorporated area.

33 (b) The denominator (~~shall be~~) is the total acreage from which  
34 funds in (a) of this subsection are collected. For lands of less than  
35 one acre in size, the denominator calculation may be based on the  
36 following assumptions: (i) Unimproved lands (~~shall be~~) are  
37 calculated as being one-half acre in size on the average, and (ii)  
38 improved lands (~~shall be~~) are calculated as being one-third acre in  
39 size on the average. The county legislative authority may choose to

1 calculate the denominator for lands of less than one acre in size using  
2 other assumptions about average parcel size based on local information.  
3 ~~((+5+))~~ (4) For those counties that levy a per parcel assessment to
