WHEREAS, Over eight thousand eight hundred men and women of the Washington National Guard consisting of the Army National Guard and the Air National Guard continue to serve the country as a key part of our national defense; and

WHEREAS, The Washington National Guard is composed of citizen soldiers and airmen who, in the noble and time-honored tradition of the Minutemen, from the Massachusetts Bay Colony in 1636, stand ready at a moments notice to answer the call of need from their state or country to protect and guaranty the blessings of liberty and providence or to respond to calamity or natural disaster; and

WHEREAS, The Guard is active in promoting positive activities for the youth of our state through active involvement in the Guard's helicopter outreach programs, drug demand reduction presentations at local schools, and Camp Minuteman, a motivational summer youth experience at Camp Murray; and

WHEREAS, The Guard makes a major contribution to our state's counter drug effort by providing over seventy soldiers and airmen on duty throughout the year in twenty-six different local, state, and federal law enforcement agencies; and

WHEREAS, In communities throughout the state, the Guard continues to be an essential source of social support for our communities by making armories available for public use as classrooms, food banks, and centers for community and youth activities. The Guard also answered numerous calls for assistance from local communities for missions varying from traditional color guards to hauling food in support of anti-hunger initiatives; and

NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate expresses its appreciation to the families and employers of our Guard soldiers and airmen for their support without which the Guard's mission could not be successful; and

BE IT FURTHER RESOLVED, That the Senate specifically and particularly recognize the value of a strong Washington National Guard to the economy and well-being of this state, both through the performance of its state disaster relief mission, and through the ongoing benefit to local communities by the presence of productively employed, drug free, and efficiently trained Guard members and the armories that house them; and

BE IT FURTHER RESOLVED, That a copy of this resolution be immediately transmitted to the Adjutant General of the Washington National Guard, the Governor of the State of Washington, the Secretary of the Army, the Secretary of Defense, the Secretary of the Air Force, and to the President of the United States, the Honorable Bill Clinton.
