

HB 2726 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares an intent that the state increase its support for delivery of modernization services to small and midsize manufacturers and leverage federal and private resources devoted to such efforts. It is the further intent of the legislature that the state facilitate the delivery of modernization services and: (1) Encourage small and midsize firms to aggregate their demand for training and other modernization services, thus driving down the cost to the individual firm and securing more effective services; and

(2) Encourage large firms to support training consortia among their suppliers and validate the importance of high performance work organization and workplace learning as desirable supplier practices.

Organizes Washington manufacturing services as a private, nonprofit corporation in accordance with chapter 24.03 RCW and this act. The mission of the center is to operate a modernization extension system, coordinate a network of public and private modernization resources, and stimulate the competitiveness of small and midsize manufacturers in Washington.
