SENATE COMMITTEE ON WAYS & MEANS

Majority Report: Do pass.

Signed by Senators Prentice, Chair; Fraser, Vice Chair, Capital Budget Chair; Pridemore, Vice Chair, Operating Budget; Zarelli, Ranking Minority Member; Brandland, Carrell, Hatfield, Hewitt, Hobbs, Honeyford, Keiser, Kohl-Welles, Parlette, Rasmussen, Regala, Roach, Rockefeller, Schoesler and Tom.

Background: The state business & occupation (B&O) tax is levied on the gross receipts of many business activities conducted within the state. The B&O tax rate applying to wholesaling activities is 0.484 percent. Amounts received from wholesale buying and selling of wheat, oats, dry peas, dry beans, lentils, triticale, canola, corn, rye, and barley are exempt from the B&O tax. It is suggested that this exemption be extended to include unprocessed milk.

Summary of Bill: Wholesale sales of unprocessed milk are exempted from the state B&O

tax.

Appropriation: None.

Fiscal Note: Available.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony (Agriculture & Rural Economic Development): PRO: This bill makes tax policy regarding wholesale sales of unprocessed milk consistent with tax policy regarding wholesale sales of other agricultural commodities.

Persons Testifying (Agriculture & Rural Economic Development): PRO: Dan Coyne, Northwest Dairy Association (Darigold); Chris Cheney, Washington Dairy Federation.

Staff Summary of Public Testimony (Ways & Means: on companion SB 5641): PRO: Darigold does not wholesale very much unprocessed milk. However, the administrative burden of accounting and reporting income for those sales is great, in comparison to Dairygold's small B&O tax liability from these sales. Extending the same B&O tax exemption to wholesaling of unprocessed milk, as is available for other unprocessed agricultural commodities, would benefit the dairy industry in Washington.

Persons Testifying (Ways & Means): PRO: Sharon Appelt, Darigold.
