The licensed gross weight may not exceed eighty thousand pounds for a combination of vehicles nor forty thousand pounds for a single unit vehicle with three or more axles. Trip permits are required for movement of mobile homes or park model trailers and may only be issued if property taxes are paid in full. For the purpose of this section, a vehicle is considered unlicensed if the licensed gross weight currently in effect for the vehicle or combination of vehicles is not adequate for the load being carried.

p. 3 HB 1304

Vehicles registered under RCW 46.16.135 shall not be operated under authority of trip permits in lieu of further registration within the same registration year.

- (2) Each trip permit shall authorize the operation of a single vehicle at the maximum legal weight limit for such vehicle for a period of three consecutive days commencing with the day of first use. No more than three such permits may be used for any one vehicle in any period of thirty consecutive days, except that in the case of a recreational vehicle as defined in RCW 43.22.335, no more than two trip permits may be used for any one vehicle in a one-year period. Every permit shall identify, as the department may require, the vehicle for which it is issued and shall be completed in its entirety and signed by the operator before operation of the vehicle on the public highways of this state. Correction of data on the permit such as dates, license number, or vehicle identification number invalidates the permit. The trip permit shall be displayed on the vehicle to which it is issued as prescribed by the department.
- (3) Vehicles operating under authority of trip permits are subject to all laws, rules, and regulations affecting the operation of like vehicles in this state.
- (4) Prorate operators operating commercial vehicles on trip permits in Washington shall retain the customer copy of such permit for four years.

For each permit issued, the fee includes a filing fee as provided by RCW 46.01.140 and an excise tax of one dollar. The remaining portion of the trip permit fee must be deposited to the credit of the motor vehicle fund as an administrative fee. If the filing fee amount of three dollars as prescribed in RCW 46.01.140 is increased or decreased after July 1, 2002, the administrative fee must be increased or decreased by the same amount so that the total trip permit would be adjusted equally to compensate. The portion of the surcharge paid by motor carriers must be deposited in the motor vehicle fund for the purpose of supporting vehicle weigh stations, weigh-in-motion programs, and the commercial vehicle information systems and networks program. The remaining portion of the surcharge must be deposited in the motor vehicle fund for the purpose of supporting congestion relief programs.  - (2) Every permit shall identify, as the department may require, the vehicle for which it is issued and shall be completed in its entirety, signed, and dated by the operator before operation of the vehicle on the public highways of this state. A violation of, or a failure to comply with, this subsection is a gross misdemeanor.
 - (3) For each permit issued, there shall be collected a filing fee of one dollar, an administrative fee of ((ten)) fifteen dollars, and an excise tax of nine dollars. Trip permits will not be issued if the applicant has outstanding fuel taxes, penalties, or interest owing to the state or has had a special fuel license revoked for cause and the cause has not been removed. Five dollars from every fifteen-dollar administration fee shall be deposited into the state patrol highway account and must be used for commercial motor vehicle inspections.

- (4) Blank permits may be obtained from field offices of the department of transportation, Washington state patrol, department of licensing, or other agents appointed by the department. The department may appoint county auditors or businesses as agents for the purpose of selling trip permits to the public. County auditors or businesses so appointed may retain the filing fee collected for each trip permit to defray expenses incurred in handling and selling the permits.
- (5) A surcharge of five dollars is imposed on the issuance of trip permits. The portion of the surcharge paid by motor carriers must be deposited in the motor vehicle fund for the purpose of supporting vehicle weigh stations, weigh-in-motion programs, and the commercial vehicle information systems and networks program. The remaining portion of the surcharge must be deposited in the motor vehicle fund for the purpose of supporting congestion relief programs. All other fees and excise taxes collected by the department for trip permits shall be credited and deposited in the same manner as the special fuel tax collected under this chapter and shall not be subject to exchange, refund, or credit.
