p. 1 SHB 2380

- 1 (i) The total amount of credit claimed by a taxpayer under this 2 section may not exceed one thousand dollars.
 - (ii) No refunds may be granted for the credit. The eligible costs for which a credit may be claimed include costs for goods, services, and labor incurred for the purpose of complying with the local sales tax sourcing rules under chapter 6, Laws of 2007.
 - (iii) The credit under this section may not be claimed for tax reporting periods before July 1, 2008. Taxpayers may not claim unused credit for tax reporting periods after July 1, 2009.
 - (2) The use of a certified service provider under subsection (1)(a) of this section must begin within one year after July 1, 2008, but not before July 1, 2008.
 - (3) For purposes of this section, "impacted taxpayer" means a taxpayer that:
 - (a) On July 1, 2008, is registered with the department and engaged in making sales of tangible personal property that the taxpayer delivered to physical locations away from his or her place of business; and

- (4) Certified service providers agreeing to provide services to impacted taxpayers under subsection (1)(a) of this section shall be compensated for those services by retaining as a fee an amount adopted by rule by the department. The department may be guided by the provisions for monetary allowances adopted by the governing board of the agreement to determine the amount of the fee. The fee must be reasonable and provide adequate incentive for certified service providers to provide services to impacted taxpayers. The fee will be funded solely from state sales taxes.
- (5) Taxpayers that use certified service provider services under subsection (1)(a) of this section, but are not impacted taxpayers are immediately liable to the department for the amount retained by the

certified service provider as a fee for providing those services to the taxpayer. All administrative provisions of this chapter applicable to the collection of taxes apply to amounts due under this subsection. If any amounts due under this subsection are not paid by the due date of any notice informing the taxpayer of such liability, the department shall apply interest, but not penalties, to amounts remaining due. Interest assessed under this subsection must be at the rate provided for delinquent excise taxes under this chapter from the day after the due date until the amount due under this subsection is paid in full.

- (6) Taxpayers that claim a credit under subsection (1)(b) of this section, but are not impacted taxpayers are immediately liable to the department for the amount of credit claimed. If any amounts due under this subsection are not paid by the due date of any notice informing the taxpayer of such liability, the department shall apply interest, but not penalties, to amounts remaining due. Interest assessed under this subsection shall be at the rate provided for delinquent excise taxes under this chapter from the day after the due date until the amount due under this subsection is paid in full.
- (7) No application is necessary for either the use of certified service providers under subsection (1)(a) of this section or the tax credit under subsection (1)(b) of this section. The taxpayer must keep records necessary for the department to determine eligibility under this section. The department may prescribe rules and procedures regarding the administration of this section.
- (8) An impacted taxpayer using a certified service provider under subsection (1)(a) of this section or taking a credit under subsection (1)(b) of this section must file with the department all returns in an electronic format as provided or approved by the department. As used in this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.
- (a) Any return required to be filed in an electronic format under this subsection is not filed until received by the department in an electronic format provided or approved by the department.
- (b) The department may waive the electronic filing requirement in this subsection for good cause shown.
