
HOUSE BILL 2923

State of Washington

60th Legislature

2008 Regular Session

By Representatives Hinkle, Warnick, Blake, Chandler, Hailey, Schmick, Kretz, Williams, Eickmeyer, Condotta, McCune, VanDeWege, and Newhouse

Read first time 01/18/08. Referred to Committee on Agriculture & Natural Resources.

1 AN ACT Relating to providing an alternative method for weight
2 tickets for transporting hay or straw; and amending RCW 20.01.125.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 20.01.125 and 1986 c 178 s 7 are each amended to read
5 as follows:

6 Every dealer and commission merchant dealing in hay or straw shall
7 obtain a certified vehicle tare weight and a certified vehicle gross
8 weight for each load hauled and shall furnish the consignor with a copy
9 of such certified weight ticket within seventy-two hours after taking
10 delivery. It shall be a violation of this chapter for any licensee to
11 transport hay or straw which has been purchased by weight without
12 having obtained a certified weight ticket from the first licensed
13 public weighmaster which would be encountered on the ordinary route to
14 the destination where the hay or straw is to be unloaded. If agreed
15 upon in writing between a dealer or commission merchant and a grower or
16 consigner, a certified vehicle tare weight and certified vehicle gross
17 weight may be obtained from a hay or straw processing facility with a

1 scale approved by the director.
