- 3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

sports, viewing or enjoying historical, archaeological, scenic, or scientific sites, without charging a fee of any kind therefor, shall not be liable for unintentional injuries to such users.

- (2) Except as otherwise provided in subsection (3) or (4) of this section, any public or private landowner or others in lawful possession and control of any lands whether rural or urban, or water areas or channels and lands adjacent to such areas or channels, who offer or allow such land to be used for purposes of a fish or wildlife cooperative project, or allow access to such land for cleanup of litter or other solid waste, shall not be liable for unintentional injuries to any volunteer group or to any other users.
- (3) Any public or private landowner, or others in lawful possession and control of the land, may charge an administrative fee of up to twenty-five dollars for the cutting, gathering, and removing of firewood from the land.
- (4) Nothing in this section shall prevent the liability of a landowner or others in lawful possession and control for injuries sustained to users by reason of a known dangerous artificial latent condition for which warning signs have not been conspicuously posted. A fixed anchor used in rock climbing and put in place by someone other than a landowner is not a known dangerous artificial latent condition and a landowner under subsection (1) of this section shall not be liable for unintentional injuries resulting from the condition or use of such an anchor. Nothing in RCW 4.24.200 and this section limits or expands in any way the doctrine of attractive nuisance. Usage by members of the public, volunteer groups, or other users is permissive and does not support any claim of adverse possession.
 - (5) For purposes of this section, the following are not fees:
- (a) A license or permit issued for statewide use under authority of chapter 79A.05 RCW or Title 77 RCW; ((and))
- (b) A daily charge not to exceed twenty dollars per person, per day, for access to a publicly owned ORV sports park, as defined in RCW 46.09.020, or other public facility accessed by a highway, street, or nonhighway road for the purposes of off-road vehicle use; and
- 35 <u>(c) A daily, seasonal, or annual charge for access to privately</u> 36 owned lands for the purposes of outdoor recreation where all revenues
