20 performance of their official duties), but any interested party shall
21 be supplied with information from such records to the extent necessary
22 for the proper presentation of the case in question: PROVIDED, That
23 any employing unit may authorize inspection of its records by written
24 consent.

25 **Sec. 6.** RCW 50.13.060 and 2005 c 274 s 322 are each amended to
26 read as follows:

27 (1) Governmental agencies, including law enforcement agencies,
28 prosecuting agencies, and the executive branch, whether state, local,
29 or federal shall have access to information or records deemed private
30 and confidential under this chapter if the information or records are
31 needed by the agency for official purposes and:

32 (a) The agency submits an application in writing to the employment
33 security department for the records or information containing a
34 statement of the official purposes for which the information or records
35 are needed and specific identification of the records or information
36 sought from the department; and

1 (b) The director, commissioner, chief executive, or other official
2 of the agency has verified the need for the specific information in
3 writing either on the application or on a separate document; and

4 (c) The agency requesting access has served a copy of the
5 application for records or information on the individual or employing
6 unit whose records or information are sought and has provided the
7 department with proof of service. Service shall be made in a manner
8 which conforms to the civil rules for superior court. The requesting
9 agency shall include with the copy of the application a statement to
10 the effect that the individual or employing unit may contact the public
11 records officer of the employment security department to state any
12 objections to the release of the records or information. The
13 employment security department shall not act upon the application of
14 the requesting agency until at least five days after service on the
15 concerned individual or employing unit. The employment security
16 department shall consider any objections raised by the concerned
17 individual or employing unit in deciding whether the requesting agency
18 needs the information or records for official purposes.

19 (2) The requirements of subsections (1) and (9) of this section
20 shall not apply to the state legislative branch. The state legislature
21 shall have access to information or records deemed private and
22 confidential under this chapter, if the legislature or a legislative
23 committee finds that the information or records are necessary and for
24 official purposes. If the employment security department does not make
25 information or records available as provided in this subsection, the
26 legislature may exercise its authority granted by chapter 44.16 RCW.

27 (3) In cases of emergency the governmental agency requesting access
28 shall not be required to formally comply with the provisions of
29 subsection (1) of this section at the time of the request if the
30 procedures required by subsection (1) of this section are complied with
31 by the requesting agency following the receipt of any records or
32 information deemed private and confidential under this chapter. An
33 emergency is defined as a situation in which irreparable harm or damage
34 could occur if records or information are not released immediately.

35 (4) The requirements of subsection (1)(c) of this section shall not
36 apply to governmental agencies where the procedures would frustrate the
37 investigation of possible violations of criminal laws or to the release
38 of employing unit names, addresses, number of employees, and aggregate

1 employer wage data for the purpose of state governmental agencies
2 preparing small business economic impact statements under chapter 19.85
3 RCW or preparing cost-benefit analyses under RCW 34.05.328(1) (c) and
4 (d). Information provided by the department and held to be private and
5 confidential under state or federal laws must not be misused or
6 released to unauthorized parties. A person who misuses such
7 information or releases such information to unauthorized parties is
8 subject to the sanctions in RCW 50.13.080.

9 (5) Governmental agencies shall have access to certain records or
10 information, limited to such items as names, addresses, social security
11 numbers, and general information about benefit entitlement or employer
12 information possessed by the department, for comparison purposes with
13 records or information possessed by the requesting agency to detect
14 improper or fraudulent claims, or to determine potential tax liability
15 or employer compliance with registration and licensing requirements.
16 In those cases the governmental agency shall not be required to comply
17 with subsection (1)(c) of this section, but the requirements of the
18 remainder of subsection (1) of this section must be satisfied.

19 (6) Governmental agencies may have access to certain records and
20 information, limited to employer information possessed by the
21 department for purposes authorized in chapter 50.38 RCW. Access to
22 these records and information is limited to only those individuals
23 conducting authorized statistical analysis, research, and evaluation
24 studies. Only in cases consistent with the purposes of chapter 50.38
25 RCW are government agencies not required to comply with subsection
26 (1)(c) of this section, but the requirements of the remainder of
27 subsection (1) of this section must be satisfied. Information provided
28 by the department and held to be private and confidential under state
29 or federal laws shall not be misused or released to unauthorized
30 parties subject to the sanctions in RCW 50.13.080.

31 (7) Disclosure to governmental agencies of information or records
32 obtained by the employment security department from the federal
33 government shall be governed by any applicable federal law or any
34 agreement between the federal government and the employment security
35 department where so required by federal law. When federal law does not
36 apply to the records or information state law shall control.

37 (8) The department may provide information for purposes of
38 statistical analysis and evaluation of the WorkFirst program or any

1 successor state welfare program to the department of social and health
2 services, the office of financial management, and other governmental
3 entities with oversight or evaluation responsibilities for the program
4 in accordance with RCW 43.20A.080. The confidential information
5 provided by the department shall remain the property of the department
6 and may be used by the authorized requesting agencies only for
7 statistical analysis, research, and evaluation purposes as provided in
8 RCW 74.08A.410 and 74.08A.420. The department of social and health
9 services, the office of financial management, or other governmental
10 entities with oversight or evaluation responsibilities for the program
11 are not required to comply with subsection (1)(c) of this section, but
12 the requirements of the remainder of subsection (1) of this section and
13 applicable federal laws and regulations must be satisfied. The
14 confidential information used for evaluation and analysis of welfare
15 reform supplied to the authorized requesting entities with regard to
16 the WorkFirst program or any successor state welfare program are exempt
17 from public inspection and copying under chapter 42.56 RCW.

18 (9) The disclosure of any records or information by a governmental
19 agency which has obtained the records or information under this section
20 is prohibited unless the disclosure is (a) directly connected to the
21 official purpose for which the records or information were obtained or
22 (b) to another governmental agency which would be permitted to obtain
23 the records or information under subsection (4) or (5) of this section.

24 (10) In conducting periodic salary or fringe benefit studies
25 pursuant to law, the department of personnel shall have access to
26 records of the employment security department as may be required for
27 such studies. For such purposes, the requirements of subsection (1)(c)
28 of this section need not apply.

29 (11)(a) To promote the reemployment of job seekers, the
30 commissioner may enter into data-sharing contracts with partners of the
31 one-stop career development system. The contracts shall provide for
32 the transfer of data only to the extent that the transfer is necessary
33 for the efficient provisions of workforce programs, including but not
34 limited to public labor exchange, unemployment insurance, worker
35 training and retraining, vocational rehabilitation, vocational
36 education, adult education, transition from public assistance, and
37 support services. The transfer of information under contracts with
38 one-stop partners is exempt from subsection (1)(c) of this section.

1 (b) An individual who applies for services from the department and
2 whose information will be shared under (a) of this subsection (11) must
3 be notified that his or her private and confidential information in the
4 department's records will be shared among the one-stop partners to
5 facilitate the delivery of one-stop services to the individual. The
6 notice must advise the individual that he or she may request that
7 private and confidential information not be shared among the one-stop
8 partners and the department must honor the request. In addition, the
9 notice must:

10 (i) Advise the individual that if he or she requests that private
11 and confidential information not be shared among one-stop partners, the
12 request will in no way affect eligibility for services;

13 (ii) Describe the nature of the information to be shared, the
14 general use of the information by one-stop partner representatives, and
15 among whom the information will be shared;

16 (iii) Inform the individual that shared information will be used
17 only for the purpose of delivering one-stop services and that further
18 disclosure of the information is prohibited under contract and is not
19 subject to disclosure under chapter 42.56 RCW; and

20 (iv) Be provided in English and an alternative language selected by
21 the one-stop center or job service center as appropriate for the
22 community where the center is located.

23 If the notice is provided in-person, the individual who does not
24 want private and confidential information shared among the one-stop
25 partners must immediately advise the one-stop partner representative of
26 that decision. The notice must be provided to an individual who
27 applies for services telephonically, electronically, or by mail, in a
28 suitable format and within a reasonable time after applying for
29 services, which shall be no later than ten working days from the
30 department's receipt of the application for services. A one-stop
31 representative must be available to answer specific questions regarding
32 the nature, extent, and purpose for which the information may be
33 shared.

34 (12) To facilitate improved operation and evaluation of state
35 programs, the commissioner may enter into data-sharing contracts with
36 other state agencies only to the extent that such transfer is necessary
37 for the efficient operation or evaluation of outcomes for those

1 programs. The transfer of information by contract under this
2 subsection is exempt from subsection (1)(c) of this section.

3 (13) The misuse or unauthorized release of records or information
4 by any person or organization to which access is permitted by this
5 chapter subjects the person or organization to a civil penalty of five
6 thousand dollars and other applicable sanctions under state and federal
7 law. Suit to enforce this section shall be brought by the attorney
8 general and the amount of any penalties collected shall be paid into
9 the employment security department administrative contingency fund.
10 The attorney general may recover reasonable attorneys' fees for any
11 action brought to enforce this section.

12 **Sec. 7.** RCW 50.12.070 and 2007 c 146 s 1 are each amended to read
13 as follows:

14 (1)(a) Each employing unit shall keep true and accurate work
15 records, containing such information as the commissioner may prescribe.
16 Such records shall be open to inspection and be subject to being copied
17 by the commissioner or his or her authorized representatives at any
18 reasonable time and as often as may be necessary. The commissioner may
19 require from any employing unit any sworn or unsworn reports with
20 respect to persons employed by it, which he or she deems necessary for
21 the effective administration of this title.

22 (b) An employer who contracts with another person or entity for
23 work subject to chapter 18.27 or 19.28 RCW shall obtain and preserve a
24 record of the unified business identifier account number for and
25 compensation paid to the person or entity performing the work. Failure
26 to obtain or maintain the record is subject to RCW 39.06.010 and to a
27 penalty determined by the commissioner, but not to exceed two hundred
28 fifty dollars, to be collected as provided in RCW 50.24.120.

29 (2)(a) Each employer shall register with the department and obtain
30 an employment security account number. Registration must include the
31 names and social security numbers of the owners, partners, members, or
32 corporate officers of the business, as well as their mailing addresses
33 and telephone numbers and other information the commissioner may by
34 rule prescribe. Registration of corporations must also include the
35 percentage of stock ownership for each corporate officer, delineated by
36 zero percent, less than ten percent, or ten percent or more. Any
37 changes in the owners, partners, members, or corporate officers of the

1 business, and changes in percentage of ownership of the outstanding
2 shares of stock of the corporation, must be reported to the department
3 at intervals prescribed by the commissioner under (b) of this
4 subsection.

5 (b) Each employer shall make periodic reports at such intervals as
6 the commissioner may by regulation prescribe, setting forth the
7 remuneration paid for employment to workers in its employ, the full
8 names and social security numbers of all such workers, and the total
9 hours worked by each worker and such other information as the
10 commissioner may by regulation prescribe.

11 (c) If the employing unit fails or has failed to report the number
12 of hours in a reporting period for which a worker worked, such number
13 will be computed by the commissioner and given the same force and
14 effect as if it had been reported by the employing unit. In computing
15 the number of such hours worked, the total wages for the reporting
16 period, as reported by the employing unit, shall be divided by the
17 dollar amount of the state's minimum wage in effect for such reporting
18 period and the quotient, disregarding any remainder, shall be credited
19 to the worker: PROVIDED, That although the computation so made will
20 not be subject to appeal by the employing unit, monetary entitlement
21 may be redetermined upon request if the department is provided with
22 credible evidence of the actual hours worked. Benefits paid using
23 computed hours are not considered an overpayment and are not subject to
24 collections when the correction of computed hours results in an invalid
25 or reduced claim; however:

26 (i) A contribution paying employer who fails to report the number
27 of hours worked will have its experience rating account charged for all
28 benefits paid that are based on hours computed under this subsection;
29 and

30 (ii) An employer who reimburses the trust fund for benefits paid to
31 workers and fails to report the number of hours worked shall reimburse
32 the trust fund for all benefits paid that are based on hours computed
33 under this subsection.

34 **Sec. 8.** RCW 51.48.103 and 2003 c 53 s 283 are each amended to read
35 as follows:

36 (1) It is a gross misdemeanor:

1 (a) For any employer to engage in business subject to this title
2 without having obtained a certificate of coverage as provided for in
3 this title;

14 other officer of any company to cause or permit the company to engage
15 in business subject to this title after revocation of a certificate of

18 addition to any other penalties, be subject to the penalties in section
19 3 of this act.

20 **Sec. 9.** RCW 51.48.020 and 1997 c 324 s 1 are each amended to read
21 as follows:

22 (1)(a) Any employer, who knowingly misrepresents to the department
23 the amount of his or her payroll or employee hours upon which the
24 premium under this title is based, shall be liable to the state for up
25 to ten times the amount of the difference in premiums paid and the
26 amount the employer should have paid and for the reasonable expenses of
27 auditing his or her books and collecting such sums. Such liability may
28 be enforced in the name of the department.

29 (b) An employer is guilty of a class C felony, if:

30 (i) The employer, with intent to evade determination and payment of
31 the correct amount of the premiums, knowingly makes misrepresentations
32 regarding payroll or employee hours; or

33 (ii) The employer engages in employment covered under this title
34 and, with intent to evade determination and payment of the correct
35 amount of the premiums, knowingly fails to secure payment of
36 compensation under this title or knowingly fails to report the payroll
37 or employee hours related to that employment.

1 (c) Upon conviction under (b) of this subsection, the employer
2 shall be ordered by the court to pay the premium due and owing, a
3 penalty in the amount of one hundred percent of the premium due and
