

HB 1379.E - DIGEST

(DIGEST AS ENACTED)

Exempts an applicant who holds a current, unsuspended, unrevoked license from another jurisdiction, has been actively practicing as a licensed hearing aid fitter/dispenser in another jurisdiction for at least forty-eight of the last sixty months, and submits proof of completion of advance certification from either the international hearing society or the national board for certification in hearing instrument sciences, and satisfactorily completes the hearing instrument fitter/dispenser examination required by this act or a substantially equivalent examination approved by the board.
