

HB 1424 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Authorizes the department of ecology to adopt rules regulating certain rainwater collection facilities.

Requires the department to report to the appropriate committees of the legislature by December 31, 2008, regarding the implementation of this act. After June 1, 2009, the department shall proceed with permanent rule making to establish exemptions by rule for rainwater systems consistent with this act unless the legislature acts to direct otherwise.
