

HB 1802 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that, beginning with sixth grade entry, every public and private school in the state shall provide parents and guardians with information about human papillomavirus disease and its vaccine at the beginning of every school year. The information about human papillomavirus disease shall include: (1) Its causes and symptoms, how human papillomavirus disease is spread, and the places where parents and guardians may obtain additional information and vaccinations for their children; and

(2) Current recommendations from the United States centers for disease control and prevention regarding the receipt of vaccines for human papillomavirus disease and where the vaccination can be received.
