

**HB 2636 - DIGEST**

(AS OF HOUSE 2ND READING 2/7/2008)

Allows a person who has learned or reasonably suspects that his or her financial information or means of identification has been unlawfully obtained, used by, or disclosed to another, as described in chapter 9.35 RCW, to file an incident report with a law enforcement agency, by contacting the local law enforcement agency that has jurisdiction over his or her actual residence, place of business, or place where the crime occurred.

Requires the law enforcement agency to create a police incident report of the matter and provide the complainant with a copy of that report, and may refer the incident report to another law enforcement agency.
