

HB 3113 - DIGEST

Modifies state and local requirements for high school graduation.

Provides that a school district board of directors may adopt a local school district graduation requirement that students must meet the state standard in both reading and writing on the high school Washington assessment of student learning or an approved objective alternative assessment if, based on the district's high school assessment results for the prior year, there is less than a five percentage point gap between the percent of students in the subgroup with the highest percent of students who met the state standard in both reading and writing and the percent of students in any other subgroup who met the state standard in both reading and writing.
