- On page 2, after line 31, insert the following: 9
- 10 "Sec. 2. RCW 28B.15.068 and 2007 c 151 s 1 are each amended to 11 read as follows:
- (1) Beginning with the 2007-08 academic year and ending with the 12
- 13 2016-17 academic year, tuition fees charged to full-time resident
- 14 undergraduate, graduate, and professional students may increase no
- 15 greater than seven percent over the previous academic year in any
- 16 institution of higher education. Annual reductions or increases in
- 17 full-time tuition fees for resident undergraduate, graduate, or
- 18 professional students shall be provided in the omnibus as
- 19 appropriations act, within the seven percent increase
- 20 established in this section. To the extent that state appropriations
- 21 combined with tuition and fee revenues are insufficient to achieve the
- 22 total per-student funding goals established in subsection (2) of this
- 23 section, the legislature may revisit state appropriations, authorized
- 24 enrollment levels, and changes in tuition fees for any given fiscal
- 25 year.
- 26 (2) The state shall adopt as its goal total per-student funding
- 27 levels, from state appropriations plus tuition and fees, of at least

1 the sixtieth percentile of total per-student funding at similar public 2 institutions of higher education in the global challenge states. 3 defining comparable per-student funding levels, the 4 financial management shall adjust for regional cost-of-living 5 differences; for differences in program offerings and in the relative 6 mix of lower division, upper division, and graduate students; and for reporting differences and among the The office of financial management shall develop a 8 institutions. 9 funding trajectory for each four-year institution of higher education 10 and for the community and technical college system as a whole that 11 when combined with tuition and fees revenue allows the state to 12 achieve its funding goal for each four-year institution and the 13 community and technical college system as a whole no later than fiscal 14 year 2017. The state shall not reduce enrollment levels below fiscal 15 year 2007 budgeted levels in order to improve or alter the per-student 16 funding amount at any four-year institution of higher education or the 17 community and technical college system as a whole. The state 18 recognizes that each four-year institution of higher education and the 19 community and technical college system as a whole have different 20 funding requirements to achieve desired performance levels, and that 21 increases to the total per-student funding amount may need to exceed 22 the minimum funding goal.

- (3) By September 1st of each year beginning [in] 2008, the office 24 of financial management shall report to the governor, the higher 25 education coordinating board, and appropriate committees of the 26 legislature with updated estimates of the total per-student funding 27 level that represents the sixtieth percentile of funding for 28 comparable institutions of higher education in the global challenge 29 states, and the progress toward that goal that was made for each of 30 the public institutions of higher education.
- 31 (4) As used in this section, "global challenge states" are the top 32 performing states on the new economy index published by the 33 progressive policy institute as of July 22, 2007. The new economy 34 index ranks states on indicators of their potential to compete in the

1 new economy. At least once every five years, the office of financial

2 management shall determine if changes to the list of global challenge

- 3 states are appropriate. The office of financial management shall
- 4 report its findings to the governor and the legislature."
