By Representative Angel

NOT CONSIDERED 4/26/2009

1 On page 1, line 3 of the striking amendment, after "(1)" strike
2 all material though "actions" on line 25 and insert "The legislature
3 recognizes its duty to ensure that policies enacted during this time
4 of economic crisis do no harm to Washington state and its citizens.
5 As further evidence of the state's fragile economy, the legislature
6 recognizes that unemployment and foreclosure levels continue to
7 increase as additional private and public sector positions are lost
8 throughout the state each month.

9 (2) Additionally, the legislature finds that, as Washington
10 produces an estimated three-tenths of one percent of global greenhouse
11 gas emissions, responses to these emissions that are not mindful of
12 the state's economic crisis, the needs of its citizens, and the
13 impacts of untimely regulation, will create unnecessary burdens upon
14 an already distressed economy. The legislature, therefore, intends
15 that state and local policies implementing this act avoid negative
16 impacts to economic development needs, natural resource industries,
17 property rights protections, and housing needs"
