

HB 1513 - H AMD 27

By Representative Hope

ADOPTED 3/03/2009

1 On page 2, beginning on line 21, after "fee" strike all material
2 through line 23 and insert "for the infrastructure or facilities that
3 were constructed under the applicable ordinance, contract, or
4 agreement. This does not prevent the collection of amounts for
5 services or infrastructure that are additional expenditures not
6 subject to such ordinance, contract, or agreement."

7

EFFECT: Clarifies that the reimbursement limitation does not apply to the collection of fees or charges relating to separate expenditures for services or infrastructure that are not subject to the applicable ordinance, contract, or agreement.
