

SHB 1959 - H AMD 116

By Representative Simpson

ADOPTED 3/06/2009

1 On page 2, line 35, after "between the" strike "marine industrial
2 port element" and insert "port elements"

3

4 On page 3, line 21, after "improvements" strike "to the marine
5 container ports"

6

EFFECT: (1) Adds additional consistency requirements by specifying that cities and ports must ensure that there is consistency between port elements (both container port elements and marine industrial port elements) and specific port planning requirements. (2) Requires cities to transmit planned improvements identified in container port elements and marine industrial port elements, rather than just container port elements, to the Transportation Commission for inclusion in a statewide transportation plan.
