2 "NEW SECTION. **Sec. 15.** A new section is added to chapter 43.20A
3 RCW to read as follows:

4 (1) The department shall collect and track data related to
5 transportation purchased for all of its clients. The data must
6 identify the number of trips provided by service provider, number of
7 clients served, cost per trip, and total cost of transportation
8 provided. For purposes of this subsection, a "trip" means
9 transportation provided from a place of origin to a single point of
10 destination.

11 (2) Beginning in September 2009, the department shall provide the
12 agency council on coordinated transportation, as provided under
13 chapter 47.06B RCW, with quarterly reports detailing the data
14 collected under subsection (1) of this section."

- Adds a representative of Indian tribes to the work group that is directed to engage federal representatives and agencies in an analysis of various federal requirements.
- Establishes that the work group directed to consider the 2009 special needs transportation study recommendations may consult with other agencies if funding is available, and may propose alternative coordination models to the Joint Transportation Committee than those recommended in the study.
- Clarifies that the pilot project designed to demonstrate cost sharing opportunities is not limited to opportunities involving public paratransit and Medicaid nonemergency medical trips, but instead may include other opportunities that demonstrate cost sharing opportunities.
- Directs the Department of Social and Health Services to track transportation purchased for its clients, and to report that
