

SHB 2499 - H AMD 1073

By Representative Bailey

ADOPTED 2/11/2010

1 On page 2, beginning on line 15, after "than" strike all material
2 through "fifty" on line 21 and insert "twenty-five pounds of black
3 powder as used in muzzle loading firearms may be stored in commercial
4 establishments of which not more than four pounds in containers of one
5 pound maximum capacity may be displayed.

6 Quantities in excess of one hundred fifty pounds of smokeless
7 propellant or twenty-five"

8
9

EFFECT: Restores current law regarding the amount of black powder which may be stored and displayed in commercial establishments and which must be stored in magazines outside.
