ADOPTED 3/05/2010

1 On page 1, line 18, after "ferry" strike "labor unions" and  
2 insert "workforce"

3

4 On page 2, beginning on line 1, strike all of section 2

5

6 Renumber the remaining sections consecutively and correct any  
7 internal references accordingly.

8

9 On page 6, line 2, after "those of" insert ":(i)"

10

11 On page 6, line 7, after "involved" strike "or with" and insert  
12 ", or (ii)"

13

14 On page 6, line 7, after "employees" insert "doing directly  
15 comparable but not necessarily identical work, giving consideration  
16 to factors peculiar to the area and the classifications involved"

17

18 Correct the title.

19

**EFFECT:** In the intent section, a reference to ferry labor unions is replaced with ferry workforce. The requirement that an arbitration award must be certified by the director of the office of financial management as being feasible financially for the state is removed. Adds a qualification that if the arbitrator compares involved ferry workers with other state employees, those state employees must be doing directly comparable but not necessarily identical work and consideration must be given to factors peculiar to the area and the classifications involved.
