

SB 5412 - H AMD TO APPG COMM AMD (H-3006.1/09) 614  
By Representative Kretz

NOT CONSIDERED 04/26/2009

1        On page 3, line 17 of the amendment, after "beaches." insert "The  
2 priority use of money in the account is to fund projects proposing to  
3 relocate sea lettuce from areas of high concentration to areas of Puget  
4 Sound with low sea lettuce levels where the introduction of relocated  
5 sea lettuce would serve as a beneficial ecological enhancement."

6        On page 3, line 23 of the amendment, after "restoration" insert ".  
7 However, all nonlethal capture and relocation options must be exhausted  
8 before a grant recipient may use money from the account for lethal sea  
9 lettuce control actions"

EFFECT: Makes the relocation of sea lettuce a priority use for  
money in the saltwater algae control account and requires grant  
recipients to exhaust all nonlethal options before using money from the  
account for lethal sea lettuce control.
