1 On page 2, line 18 of the amendment, after "(3)" strike all  
2 material through "persons." on line 19 and insert "Injured other  
3 persons, or had or has a real and significant capacity to injure other  
4 persons, in substantially the same fashion as the claimant was  
5 injured."

6

**EFFECT:** Provides that the claimant can establish that the act or practice is injurious to the public if it injured other persons, or had or has a real and significant capacity to injure other persons, in substantially the same fashion as the claimant was injured (rather than by showing the act or practice injured other persons, or had or has the capacity to injure other persons).
