2 following:

3 "NEW SECTION. **Sec. 1.** A new section is added to chapter 49.12 RCW
4 to read as follows:

5 (1) The director shall establish a farm internship pilot project
6 until December 1, 2011, for the employment of farm interns on small
7 farms under special certificates at wages, if any, as authorized by the
8 department and subject to such limitations as to time, number,
9 proportion, and length of service as provided in this section and as
10 prescribed by the department. The pilot project shall consist of two
11 counties, one a county consisting entirely of islands with fewer than
12 fifty thousand residents and one a county that is bordered by the crest
13 of the Cascade mountain range and salt waters with fewer than one
14 hundred fifty thousand residents.

15 (2) A small farm may employ no more than three interns per year
16 under this section.

17 (3) A small farm must apply for a special certificate on a form
18 made available by the director. The application must set forth: The
19 name of the farm and a description of the farm seeking the certificate;
20 the type of work to be performed by a farm intern; a description of the
21 internship program; the period of time for which the certificate is
22 sought and the duration of an internship; the number of farm interns
23 for which a special certificate is sought; the wages, if any, that will
24 be paid to the farm intern; any room and board, stipends, and other
25 remuneration the farm will provide to a farm intern; and the total
26 number of workers employed by the farm.

27 (4) Upon receipt of an application, the department shall review the
28 application and issue a special certificate to the requesting farm
29 within fifteen days if the department finds that:

30 (a) The farm qualifies as a small farm;

1 (b) There have been no serious violations of chapter 49.46 RCW or
2 Title 51 RCW that provide reasonable grounds to believe that the terms
3 of an internship agreement may not be complied with;

4 (c) The issuance of a certificate will not create unfair
5 competitive labor cost advantages nor have the effect of impairing or
6 depressing wage or working standards established for experienced
7 workers for work of a like or comparable character in the industry or
8 occupation at which the intern is to be employed;

9 (d) A farm intern will not displace an experienced worker; and

10 (e) The farm demonstrates that the interns will perform work for
11 the farm under an internship program that: (i) Provides a curriculum
12 of learning modules and supervised participation in farm work
13 activities designed to teach farm interns about farming practices and
14 farm enterprises; (ii) is based on the bona fide curriculum of an
15 educational or vocational institution; and (iii) is reasonably designed
16 to provide the intern with vocational knowledge and skills about
17 farming practices and enterprises. In assessing an internship program,
18 the department may consult with relevant college and university
19 departments and extension programs and state and local government
20 agencies involved in the regulation or development of agriculture.

21 (5) A special certificate issued under this section must specify
22 the terms and conditions under which it is issued, including: The name
23 of the farm; the duration of the special certificate allowing the
24 employment of farm interns and the duration of an internship; the total
25 number of interns authorized under the special certificate; the
26 authorized wage rate, if any; and any room and board, stipends, and
27 other remuneration the farm will provide to the farm intern. A farm
28 worker may be paid at wages specified in the certificate only during
29 the effective period of the certificate and for the duration of the
30 internship.

31 (6) If the department denies an application for a special
32 certificate, notice of denial must be mailed to the farm. The farm
33 listed on the application may, within fifteen days after notice of such
34 action has been mailed, file with the director a petition for review of
35 the denial, setting forth grounds for seeking such a review. If
36 reasonable grounds exist, the director or the director's authorized
37 representative may grant such a review and, to the extent deemed

1 appropriate, afford all interested persons an opportunity to be heard
2 on such review.

3 (7) Before employing a farm intern, a farm must submit a statement
4 on a form made available by the director stating that the farm
5 understands: The requirements of the industrial welfare act, chapter
6 49.12 RCW, that apply to farm interns; that the farm must pay workers'
7 compensation premiums in the assigned intern risk class and must pay
8 workers' compensation premiums for nonintern work hours in the
9 applicable risk class; and that if the farm does not comply with
10 subsection (8) of this section, the director may revoke the special
11 certificate.

12 (8) The director may revoke a special certificate issued under this
13 section if a farm fails to: Comply with the requirements of the
14 industrial welfare act, chapter 49.12 RCW, that apply to farm interns;
15 pay workers' compensation premiums in the assigned intern risk class;
16 or pay workers' compensation premiums in the applicable risk class for
17 nonintern work hours.

18 (9) Before the start of a farm internship, the farm and the intern
19 must sign a written agreement and send a copy of the agreement to the
20 department. The written agreement must, at a minimum:

21 (a) Describe the internship program offered by the farm, including
22 the skills and objectives the program is designed to teach and the
23 manner in which those skills and objectives will be taught;

24 (b) Explicitly state that the intern is not entitled to minimum
25 wages for work and activities conducted pursuant to the internship
26 program for the duration of the internship;

27 (c) Describe the responsibilities, expectations, and obligations of
28 the intern and the farm, including the anticipated number of hours of
29 farm activities to be performed by the intern per week;
