EFFECT: Requires that the Building Bridges work group's annual report to the QEC, the Legislature, and the Governor, identify the top six causes of dropouts and performance measures to track and monitor these causes. Requires the work group to include, in its recommendations regarding a state-level and regional infrastructure for the coordination of services, a performance-based quality management system that uses the Baldrige educational criteria for performance excellence. Requires that the recommendations regarding the performance-based management system address accountability in all school districts for the dropout issue.
