Staff: Teresa Berntsen (786-7301)

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Background:

The federal Safe, Accountable, Flexible, Efficient, Transportation Equity Act: A Legacy for Users (SAFETEA-LU) of 2005 established a Safe Routes to Schools Program (Program). The SAFETEA-LU provided funds to be administered by state departments of transportation to provide financial assistance to state, local, and regional agencies and non-profit organizations for projects that improve safety and reduce traffic, fuel consumption, and air pollution in the vicinity of schools.

Beginning in 2005, Washington's transportation budget has provided state funds for the Program administered by the Washington State Department of Transportation (WSDOT). The associated budget provisos require that the WSDOT identify cost-effective projects and submit a prioritized list to the Legislature. The WSDOT provides potential grant applicants information and training and issues an annual call for projects. The WSDOT also contracts with nonprofit organizations to provide information and technical assistance.

Summary of Substitute Bill:

The Program is established within the WSDOT. The purpose of the Program is to enable and encourage children to walk and bicycle to school; to make bicycling and walking to school safer and more appealing; and to facilitate the planning, development, and implementation of projects and activities that improve safety and reduce traffic, fuel consumption, and air pollution in the vicinity of schools.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) Encouraging safe routes to schools is an important area of transportation policy. There are a wealth of personal and societal benefits that come from walking to school. This bill codifies the best practices of the existing Safe Routes to Schools Program, which is working and should be continued.

(Opposed) None.

Persons Testifying: Representative Williams, prime sponsor; Jen Cole, Feet First; Liz Crowl, Skagit County Healthy Community Project; Donna Ziegler, Wahluke School District; and Tessa Greegor, Cascade Bicycle Club.

Persons Signed In To Testify But Not Testifying: None.
