Background: Persons must ensure that a vehicle is properly licensed before operating that vehicle on a public highway. License tab fees are \$30 for motor vehicles, which include cars, sport utility vehicles, motorcycles, and motor homes. License fees for vehicles including trucks, tractors, and busses are imposed on a sliding scale based on weight.

Vehicle registrations must be renewed annually with the Department of Licensing (DOL), during which time the owner of the vehicle has the option to make a \$5 donation to the State Parks and Recreation Commission (Commission). All donations collected through vehicle registration renewals are deposited into the State Parks Renewal and Stewardship Account (Account) and may only be used for the operation and maintenance of state parks.

Summary of Bill: The DOL is directed to collect a donation of \$5 from all vehicle owners whose vehicle registration renewals are due on or after September 1, 2009. Revenue
